Fiscal Estimate Narratives

WTCS 2/1/2006

LRB Number	05-2408/2	Introduction Number	AB-947	Estimate Type	Original
Description The establishment of charter schools by certain colleges or universities					

Assumptions Used in Arriving at Fiscal Estimate

Under current law, the only technical college district in Wisconsin that is eligible to establish a charter school is the Milwaukee Area Technical College.

AB 947 would authorize any college or university that is located on reservation or off-reservation trust land and that is accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools, to establish or contract for the establishment of charter schools.

Because AB 947 pertains only to postsecondary institutions located on reservation or off-reservation trust land, the proposal would not expand technical college district or the Wisconsin Technical College System (WTCS) authority to establish or operate a charter school.

Long-Range Fiscal Implications

There are no long-range fiscal implications of the proposed legislation on the WTCS.
