

Fiscal Estimate Narratives

DA 8/22/2005

LRB Number 05-3109/1	Introduction Number SB-289	Estimate Type Original
Subject Penalties for and supervision of certain sex offenders		

Assumptions Used in Arriving at Fiscal Estimate

This bill increases the penalties for many existing child sexual crimes. As such it will not increase the number of cases that are referred by law enforcement to district attorneys' offices but may increase the number of trials that are required for those cases. This would increase the workload of DA offices.

Long-Range Fiscal Implications

Unknown, but should be monitored to determine if additional prosecutorial resources are needed.
