

## Fiscal Estimate Narratives

DATCP 3/1/2006

LRB Number	05-4570/1	Introduction Number	SB-621	Estimate Type	Original
<b>Description</b> Solicitations for the renewal of a subscription to a periodical					

### Assumptions Used in Arriving at Fiscal Estimate

This bill requires the Department to administer and enforce solicitations to renew a subscription to a periodical. Under the bill, no person may send a mailing soliciting a renewal to a periodical (renewal solicitation) more than six months before the expiration date of the subscriber's current subscription. The renewal solicitation must indicate the date on which the subscriber's current subscription will expire.

It is assumed that initially a number of complaints will be generated as a result of this law and that it will significantly increase our workload during the first year. However, after the first year it is assumed that a small number of complaints will be generated and that there will be a moderate increase in workload. However, based on these assumptions we believe that the Department will be able to absorb the increase in workload.
