

Fiscal Estimate Narratives

OCI 4/25/2006

LRB Number	05-4802/2	Introduction Number	SB-687	Estimate Type	Original
Description Prohibiting the Office of the Commissioner of Insurance from promulgating certain rules related to limited-scope dental or vision plans and preferred provider plans					

Assumptions Used in Arriving at Fiscal Estimate

This bill prohibits the Commissioner from promulgating certain rules related to Preferred Provider Plans. This bill was introduced by the Joing Committee on Review of Administrative Rules as a required result of the Committee's suspension of portions of Administrative Rule INS 9.

OCI anticipates that as a result of this bill an increase in health insurance complaints related to PPPs will occur. This increase, however, is not anticipated to exceed the agency's ability to absorb it within its current budget.
