WHEREAS, smoking and secondhand tobacco smoke kill over 7,300 Wisconsin residents every year; and

WHEREAS, smoking and secondhand smoke account for almost \$1.6 billion in health care costs and over \$1.4 billion in lost productivity costs; and

WHEREAS, smoke-free environments prevent exposure to the thousands of chemicals and 43 known carcinogens present in tobacco smoke; and

WHEREAS, smoke-free environments promote smoke-free living and assure that our communities reflect what we teach our children in school; and

WHEREAS, smoke-free environments support the almost 80 percent of Wisconsin smokers who want to quit; and

WHEREAS, Wis. Stats. ss. 101.123(2)(a) and 101.123(4)(a) prohibit smoking in any enclosed, indoor area of a state building, unless a person in charge of his or her agency designates a smoking area, and such designation is not otherwise inconsistent with a directive of a fire marshal law, ordinance or resolution which prohibits smoking;

NOW, THEREFORE, I Jim Doyle, Governor of the State of Wisconsin, by the authority vested in me by the Constitution and the laws of this State, do hereby direct cabinet secretaries to declare, in 30 days from the date of this order, that state office buildings under the control of cabinet secretaries be completely smoke-free, thereby repealing any smoking area designation under Wis. Stat. s. 101.123(4)(a).

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Wisconsin to be affixed. Done at the Capitol in the City of Madison this fourth day in February, in the year two thousand five.
