

WISCONSIN LEGISLATIVE COUNCIL ACT MEMO

2005 Wisconsin Act 122
[2005 Senate Bill 411]

School Attendance Officer's Duties

Under prior law, each school district's school attendance officer was required to annually determine how many pupils enrolled in the school district were absent in the previous year and whether the absences were excused and then notify the Department of Public Instruction of this information.

2005 Wisconsin Act 122 repeals this requirement.

Effective Date: March 16, 2006.
