AN ACT to create 71.07 (6f) and 71.10 (4) (cf) of the statutes; relating to: creating a nonrefundable individual income tax credit for contributions to candidates for elective public office.

Analysis by the Legislative Reference Bureau

This bill creates a nonrefundable individual income tax credit for any lawful amount contributed by an individual who is a candidate in this state for elective public office. The credit is calculated by multiplying the amount of the contribution by the claimant’s marginal tax rate. The maximum annual political contribution on which the credit may be calculated is $100. Because the credit is nonrefundable, it may be claimed only up to the amount of a claimant’s income tax liability. For claimants who are nonresidents or part-year residents of Wisconsin, the credit that may be claimed is prorated based on the ratio of the claimant’s Wisconsin adjusted gross income (AGI) to federal AGI.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
