(2) (a) and (c) and (3), 343.52 (title), (1) (a) and (b), (1m) and (2), 346.50 (2a)
(intro.). (h), (j) and (k), (3) and (3m) (b) 1., 346.503 (title) and (1), 346.505 (title)
and (2), 349.13 (1m), 349.145 and 756.04 (1) (b); and to create 341.16 (1m),
341.266 (2) (cm) and 343.51 (1g) of the statutes; relating to: decals on special
interest vehicles that provide parking privileges for persons with physical
disabilities.

Analysis by the Legislative Reference Bureau

Under current law, a person with a disability that limits or impairs the ability
to walk may apply for and obtain from the Department of Transportation (DOT)
special motor vehicle registration plates or a special identification card, or both,
entitling a motor vehicle used by the person with a disability to certain parking
privileges, including parking in spaces reserved for use by such vehicles. These
parking privileges for a special identification card holder, with limited exceptions,
apply to any motor vehicle parked by or under the direction of the card holder or to
any motor vehicle operated by or on behalf of a card holder organization and used to
transport a person eligible for a card.

Also under current law, an owner of a special interest vehicle that is 20 or more
years old may, under specified circumstances, register the vehicle as a special
interest vehicle. A special interest vehicle, commonly known as a “collector vehicle,” is a motor vehicle that has not been changed from its original manufacturer’s specifications and that is being preserved for its historic interest. Vehicles registered as special interest vehicles are issued distinctive registration plates, commonly known as “collector plates,” that identify the vehicle as a special interest vehicle owned by a Wisconsin vehicle collector and that display the vehicle owner’s collector’s identification number. A special interest vehicle may be reregistered for no additional fee if, with an exception, the vehicle is not operated on the highways during the month of January.

Under this bill, a person who is eligible for a special identification card, whose disability is permanent, and who has registered a special interest vehicle may obtain, in lieu of a special identification card, a special identification decal that may be displayed on a registration plate of the special interest vehicle. The special identification decal provides the same parking privileges as a special identification card. If the decal expires or is otherwise no longer valid and no valid replacement decal is issued, the person must obtain a replacement collector’s plate from DOT that does not bear a decal and destroy the collector’s plate bearing the decal.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.
