### *Analysis by the Legislative Reference Bureau*

This bill requires each school board that receives federal funding to provide a program of abstinence only education (the teaching of abstaining from sexual activity outside marriage) or that elects to provide such a program to notify each pupil's parent or guardian of these facts. The notice must also state that abstinence only education does not teach pupils how to prevent pregnancy or sexually transmitted diseases, other than by remaining abstinent, and that a pupil, at the request of his or her parent or guardian, may be excused from abstinence only education and may not be subject to discipline or academic penalty as a result.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*
