WISCONSIN STATE LEGISLATURE

**Chairman's Notes: Senate Committee on
Natural Resources and Transportation
Public Hearing – October 20, 2005**

- Welcome to today's hearing of the Senate Committee on Natural Resources and Transportation. Today we are having a public hearing on a number of Transportation related bills. We will also be entering into executive session to vote on a number of Natural Resources bills that the Committee has previously held a public hearing on.
- Committee Clerk will take Attendance. The roll will be left open for members who have yet to arrive.
- I would like to remind individuals wishing to testify to fill out a hearing slip and give it to the member of the Sergeant's Staff.
- Also, because of the number of bills before the committee today, I would encourage everyone to limit their comments to 5 minutes or less. For those that have written testimony, I would encourage you to summarize instead of reading it verbatim.
- It is my intent to take up the items in the order listed on the hearing notice, and will take up Companion bills at the same time.

Senate Bill 189

Relating to: the transfer of natural resources approvals, preference points, and preference categories and granting rule-making authority
