**TO: Senator Neal Kedzie, Chairman, Senate Natural Resources and  
Transportation Committee**

**RE: Senate Bill 676**

---

With session coming to a close, I respectfully request that you hold a public hearing on Senate Bill 676. This legislation would allow snowmobiles that are at least 30 years old to obtain a one-time registration as an antique snowmobile. I expect this bill to apply to a very small, select group of snowmobiles. As soon as I receive a copy of the Fiscal Estimate related to this bill, or its companion AB1138, I will be sure to get you a copy ASAP.

Please feel free to give me a call at 266-2509 if you have any questions or concerns.
