7.25 Voting machine officials' duties. (1) The municipal clerk of each municipality in which voting machines are used is responsible for the proper ballot being placed on each machine, the sample ballots, setting, adjusting, and putting the machine in order to use in voting when delivered to the ward. For the purpose of labeling, setting, adjusting and putting the voting machines in order, one or more competent voting machine custodians may be employed.

(2) Under the direction of the municipal clerk, the custodian shall label or insert, set, adjust, put in order and deliver the machines with all necessary furniture and appliances to the rooms where the election will be held for each ward at least one hour before the time set for opening the polls on election day.

(3) In preparing a voting machine for an election according to the directions furnished, the custodian shall arrange the machine and ballot so both will meet all the requirements for voting and counting the election in the manner provided for in machine construction.

(4) When a voting machine is properly prepared for an election and delivered to the election ward, it shall be locked and sealed against any movement and the governing body or board of election commissioners shall provide proper protection to prevent tampering with the machines. The custodians preparing the machines shall deliver the keys for the machines to the municipal clerk or executive director of the board of election commissioners together with a written report of each machine's condition.

(5) Before an election each election official serving at a polling place where voting machines are used shall be instructed in their use and their duties in connection with them by the municipal clerk, who shall call as many meetings to give instructions to the election officials as are necessary. Officials and trainees may be compensated for attendance. Any person who does not understand the machines shall not be paid nor be allowed to serve.

(6) (a) Where voting machines are used, the election officials for each ward shall meet at their proper polling place at least 15 minutes before the time set for opening of the polls to arrange the voting machines and furniture to properly conduct the election.

(b) 1. Before opening the polls, the election officials shall do all of the following:

b. Examine the seal on each machine to see that the seal has not been broken.

c. Examine the counter on each machine to see that each counter registers 000.

2. If any counter on any machine does not register 000, the counter number and the number showing on the counter shall be recorded, signed by all the election officials, and a copy shall be conspicuously posted by the inspectors at the polling place during polling hours.

(c) After the inspection under par. (b), on the forms furnished, the election officials shall certify the condition of each voting machine and its counters. Each form shall be signed by each election official. After the election, one copy of each machine's certification shall be delivered with each copy of the election returns.

7.30 Appointment of election officials. (1) NUMBER. (a) Except as authorized under par. (b), there shall be 7 inspectors for each polling place at each election. Except as authorized in par. (b), in municipalities where voting machines are used, the municipal governing body may reduce the number of inspectors to 5. A municipal governing body may provide for the appointment of additional inspectors whenever more than one voting machine is used or wards are combined under s. 5.15 (6) (b). A municipal governing body may provide by ordinance for the selection of alternate officials or the selection of 2 or more sets of officials to work at different times on election day, and may permit the municipal clerk or board of election commissioners to establish different working hours for different officials assigned to the same polling place. Alternate officials shall also be appointed in a number sufficient to maintain adequate staffing of polling places. Except for inspectors who are appointed under par. (b) and officials who are appointed without regard to party affiliation under sub. (4) (c), additional officials shall be appointed in such a manner that the total number of officials is an odd number and the predominant party under sub. (2) is represented by one more official than the other party.

(b) Each municipality may appoint one additional inspector to serve at each polling place without regard to party affiliation who shall serve as a greeter to answer questions and to direct electors to the proper locations for registration and voting and who shall be available to substitute for other election officials who must leave the room during the voting process.

(2) **QUALIFICATIONS AND PROCEDURE.** (a) Only election officials appointed under this section or s. 6.875 may conduct an election. Except as otherwise provided in this paragraph and in ss. 7.15 (1) (k) and 7.52 (1) (b), each election official shall be a qualified elector of the ward or wards, or the election district, for which the polling place is established. A special registration deputy who is appointed under s. 6.55 (6) or an election official who is appointed under this section to fill a vacancy under par. (b) need not be a resident of the ward or wards, or the election district, but shall be a resident of the municipality, except that if a municipal clerk or deputy clerk serves as a registration deputy or is appointed to fill a vacancy under par. (b), the clerk or deputy clerk need not be a resident of the municipality, but shall be a resident of the state. No more than 2 individuals holding the office of clerk or deputy clerk may serve without regard to municipal residency in any municipality at any election. Special registration deputies who are appointed under s. 6.55 (6) may be appointed to serve more than one polling place. All officials appointed under this section shall be able to read and write the English language, be capable, and be of good understanding, and may not be a candidate for any office to be voted for at an election at which they serve. In 1st class cities, they may hold no public office other than notary public. Except as authorized under subs. (1) (b) and (4) (c), all inspectors shall be affiliated with one of the 2 recognized political parties which received the largest number of votes for president, or governor in nonpresidential general election years, in the ward or combination of wards served by the polling place at the last election. Excluding the inspector who may be appointed under sub. (1) (b), the party which received the largest number of votes is entitled to one more inspector than the party receiving the next largest number of votes

at each polling place. Election officials appointed under this section may serve the electors of more than one ward where wards are combined under s. 5.15 (6) (b). If a municipality is not divided into wards, the ward requirements in this paragraph apply to the municipality at large.

(am) Except as otherwise provided in this paragraph, a pupil who is 16 or 17 years of age and who is enrolled in grades 9 to 12 in a public or private school may serve as an inspector at the polling place serving the pupil's residence, with the approval of the pupil's parent or guardian. Any pupil who has at least a 3.0 grade point average or the equivalent may serve. In addition, a school board or governing body of a private school may establish criteria for service by a pupil who does not have at least a 3.0 grade point average or the equivalent. A pupil may serve as an inspector at a polling place under this paragraph only if at least one election official at the polling place other than the chief inspector is a qualified elector of this state. No pupil may serve as chief inspector at a polling place under this paragraph. Before appointment by any municipality of a pupil as an inspector under this paragraph, the municipal clerk shall obtain written authorization from the pupil's parent or guardian for the pupil to serve for the election for which he or she is appointed. In addition, if a pupil does not have at least a 3.0 grade point average or the equivalent, the municipal clerk shall obtain written certification from the principal of the school where the pupil is enrolled that the pupil meets any criteria established by the school board or governing body for service as an inspector. Upon appointment of a pupil to serve as an inspector, the municipal clerk shall notify the principal of the school where the pupil is enrolled of the name of the pupil and the date of the election at which the pupil has been appointed to serve.

(b) When a vacancy occurs in an office under this section, the vacancy shall be filled by appointment of the municipal clerk. Unless the vacancy occurs in the position of an inspector appointed under sub. (1) (b), the vacancy shall be filled from the remaining names on the lists submitted under sub. (4) or from additional names submitted by the chairperson of the county party committee of the appropriate party under sub. (4) whenever names are submitted under sub. (4) (d). If the vacancy is due to candidacy, sickness or any other temporary cause, the appointment shall be a temporary appointment and effective only for the election at which the temporary vacancy occurs. The same qualifications that applied to original appointees shall be required of persons who fill vacancies except that a vacancy may be filled in cases of emergency or because of time limitations by a person who resides in another aldermanic district or ward within the municipality, and if a municipal clerk or deputy clerk fills the vacancy, the clerk or deputy, but not more than a total of 2 individuals in any municipality, may serve without regard to the clerk's or deputy's municipality of residence, if the clerk or deputy meets the other qualifications.

(c) The governing body of any municipality may require all persons serving as election officials to prove their ability to read and write English and to have a general knowledge of the election laws. Examinations may be given to prove the qualifications can be met. The municipal clerk shall ensure that all training meets the training requirements prescribed in rules promulgated by the board under ss. 7.31 and 7.315.

(3) TABULATORS. (a) Not less than 30 days before any election the governing body or board of election commissioners of any municipality, by resolution, may authorize the municipal clerk or executive director of the board of election commissioners to select and employ tabulators for any election. Such authorization applies to the elections specified in the resolution, and if not specified, applies until the authorization is modified or revoked.

(b) The tabulators shall assist and be under the direction of the election inspectors after the close of the polls.

(4) APPOINTMENTS. (a) Except in cities where there is a board of election commissioners, the mayor, president or board chairperson of each municipality shall nominate to the governing body

no later than their last regular meeting in December of each odd-numbered year the necessary election officials for each polling place and any election officials required under s. 7.52 (1) (b). If no regular meeting is scheduled, the mayor, president or chairperson shall call a special meeting for the purpose of considering nominations no later than December 31.

(b) The 2 dominant parties, under sub. (2), are each responsible for submitting a list of names from which all appointees to inspector positions, other than appointees to inspector positions authorized under sub. (1) (b), shall be chosen as follows:

NOTE: Par. (b) (intro.) is shown as affected by 2 acts of the 2005 Wisconsin legislature and as merged by the revisor under s. 13.93 (2) (c).

1. In cities where there is a board of election commissioners, the aldermanic district committeemen or committeewomen under s. 8.17 of each of the 2 dominant recognized political parties shall submit a certified list no later than November 30 of each odd-numbered year containing the names of at least as many nominees as there are inspectors from that party for each of the voting wards in the aldermanic district. For inspectors serving under s. 7.52 (1) (b), the aldermanic district committeemen and committeewomen under s. 8.17 of the 2 dominant recognized political parties shall jointly submit a certified list of nominees containing at least twice as many nominees as there are inspectors from that party who are to be appointed under s. 7.52 (1) (b). The chairperson may designate any individual whose name is submitted as a first choice nominee. The board of election commissioners shall appoint, no later than December 31 of odd-numbered years, at least 5 inspectors for each ward. The board of election commissioners shall appoint all first choice nominees for so long as positions are available, unless nonappointment is authorized under par. (e), and shall appoint other individuals in its discretion. The board of election commissioners may designate such alternates as it deems advisable.

2. a. In municipalities other than cities and villages located in counties having a population of more than 500,000, the committees organized under s. 8.17 from each of the 2 dominant parties under sub. (2) shall submit a list containing at least as many names as there are needed appointees from that party. The list shall be submitted by the chairperson of each of the 2 committees to the mayor, president, or chairperson of the municipality. If committees are organized in subdivisions of a city, the list shall be submitted through the chairperson of the city committee. If there is no municipal committee, the list shall be submitted by the chairperson of the county or legislative district committee. Except as provided in par. (c), only those persons submitted by the chairperson of each committee under s. 8.17 may act as election officials. The chairperson may designate any individual whose name is submitted as a first choice nominee. The list shall contain the signature of the chairperson and secretary of the submitting committee.

b. In cities or villages located in counties having a population of more than 500,000, other than cities where there is a board of election commissioners, the aldermanic district or village committeeman or committeewoman for the ward or wards where each polling place is located, if there is one, or for inspectors serving under s. 7.52 (1) (b), the committeemen and committeewomen for the municipality acting jointly, shall submit a list containing at least as many names as there are needed appointees for inspector positions from the party represented by the committeeman or committeewoman or by the committeemen and committeewomen acting jointly. For appointments of inspectors in cities and villages where there is no aldermanic district or village committeeman or committeewoman, nominations shall proceed in the same manner as in municipalities located in counties having a population of 500,000 or less. The list shall be submitted to the mayor or president. Except as provided in par. (c), only those persons whose names are submitted as provided in this paragraph may act as election officials. The committeeman or committeewoman

may designate any individual whose name is submitted as a first choice nominee. The list shall contain the signature of the aldermanic district or village committeeman or committeewoman or the chairperson of the appropriate committee.

c. Upon submission of each nominee's name, the governing body shall appoint each first choice nominee for so long as positions are available, unless nonappointment is authorized under par. (e), and shall appoint other nominees in its discretion. If any nominee is not appointed, the mayor, president, or chairperson of the municipality shall immediately nominate another person from the appropriate lists submitted and continue until the necessary number of election officials from each party is achieved at that meeting.

NOTE: Subd. 2. is shown as affected by 2 acts of the 2005 Wisconsin legislature and as merged by the revisor under s. 13.93 (2) (c).

(c) Except with respect to inspectors who are appointed under sub. (1) (b), for so long as nominees are made available by the political parties under this section, appointments may be made only from the lists of submitted nominees. If the lists are not submitted by November 30 of the year in which appointments are to be made, the board of election commissioners shall appoint, or the mayor, president or chairperson of a municipality shall nominate qualified persons whose names have not been submitted. If an insufficient number of nominees appears on the lists as of November 30, the board of election commissioners shall similarly appoint, or the mayor, president or chairperson shall similarly nominate sufficient individuals to fill the remaining vacancies. In addition, the mayor, president, or board chairperson of the municipality shall similarly nominate qualified persons to serve in the inspector positions authorized under sub. (1) (b). Any appointment which is made due to the lack of availability of names submitted under par. (b) may be made without regard to party affiliation.

(d) A party committee or aldermanic district or village committeeman or committeewoman under s. 8.17 may submit additional names for inclusion in its list of nominations under this section at any time for the purpose of filling vacancies that occur during a term of office. However, an appointment need at no time be delayed because of the lack of availability of party nominees.

(e) If an appointing authority believes that, for good cause, it should not appoint an individual whose name is submitted as a first choice nominee under par. (b), it may request the board to authorize nonappointment. The board may permit nonappointment of an individual for cause demonstrated by an appointing authority.

(5) OATH OF OFFICE. Within 5 days after appointment of the election officials the municipal clerk shall give each appointee notice. The appointees shall file the official oath with the municipal clerk within 10 days after the mailing of the notice. Appointees to fill vacancies or any other election official who has not filed the oath, before receiving any ballots, shall sign the oath and return it to the municipal clerk. An inspector, after taking the oath, may administer any oath required to conduct an election.

(6) OFFICE TENURE. (a) Except as provided in par. (am), the appointed election officials shall hold office for 2 years and until their successors are appointed and qualified. They shall serve at every election held in their ward during their term of office.

(am) A pupil appointed as an inspector under sub. (2) (am) shall serve as an inspector only for the election for which he or she is appointed. Nothing in this paragraph shall be construed to limit the number of times a pupil may be appointed as an inspector.

(b) Prior to the first election following the appointment of the inspectors, the municipal clerk shall appoint one of the inspectors at each polling place, other than an inspector who is appointed under sub. (1) (b), to serve as chief inspector. No person may serve as chief inspector at any election who is not certified by the board under s. 7.31 at the time of the election. The chief inspector shall hold the position for the remainder of the term unless the inspector

is removed by the clerk or the inspector ceases to be certified under s. 7.31, except that whenever wards are combined or separated under s. 5.15 (6) (b), the municipal clerk shall appoint another inspector who is certified under s. 7.31 to serve as chief inspector at each polling place designated under s. 5.15 (6) (b). If a vacancy occurs in the position of chief inspector at any polling place, the municipal clerk shall appoint one of the other inspectors who is certified under s. 7.31 to fill the vacancy.

(c) If any election official appointed under this section lacks the qualifications set forth in this section, fails to attend training sessions required under s. 7.15 (1) (e) unless excused therefrom, is guilty of neglecting his or her official duties or commits official misconduct, the municipal clerk or board of election commissioners shall summarily remove the official from office and the vacancy shall be filled under sub. (2) (b).

7.31 Training and certification of chief inspectors.

(1) The board shall, by rule, prescribe requirements for certification of individuals to serve as chief inspectors. The requirements shall include a requirement to attend at least one training session held under sub. (5) before beginning service. The requirements shall not include taking an examination.

(2) No individual may serve as a chief inspector at a polling place in an election unless the individual is certified by the board to hold that office on the date of the election at which the individual serves.

(3) The board shall, upon application, issue certificates to qualified individuals who meet the requirements to be certified as chief inspectors. Each certificate shall carry an expiration date.

(4) The board shall require each individual to whom a certificate is issued under this section to meet requirements to maintain that certification. The requirements shall include a requirement to attend at least one training session held under sub. (5) every 2 years. The board shall renew the certificate of any individual who requests renewal and who meets the requirements prescribed under this subsection.

(5) The board shall conduct regular training programs to ensure that individuals who are certified by the board under this section are knowledgeable concerning their authority and responsibilities. The board shall pay all costs required to conduct the training programs from the appropriation under s. 20.510 (1) (bm).

(b) 1. Each inspector other than a chief inspector and each special voting deputy appointed under s. 6.875 and special registration deputy appointed under s. 6.26 or 6.55 (6) shall view or attend at least one training program every 2 years. Except as provided in subd. 2., no individual may serve as an inspector, other than a chief inspector, as a special voting deputy under s. 6.875, or as a special registration deputy under s. 6.26 or 6.55 (6) at any election unless the individual has completed training for that election provided by the municipal clerk pursuant to rules promulgated under par. (a) within 2 years of the date of the election.

2. Only when an individual who has received training under subd. 1. is unavailable to perform his or her election duties due to sickness, injury, or other unforeseen occurrence may an individual who has not received training under subd. 1. be appointed to serve as an inspector, other than chief inspector, or a special voting deputy or special registration deputy. The appointment of an indi-

vidual to serve under this subdivision shall be for a specific election and no individual may be appointed under this subdivision more than one time in a 2–year period.

(2) The board shall, by rule, prescribe requirements for, and the content of, training required of municipal clerks under s. 7.15 (1m). The board may provide such training directly or arrange for such training to be provided by other organizations. The rules shall provide a method for notifying the relevant municipal governing body if a municipal clerk fails to attend required training.

(3) The board may produce and periodically reissue as necessary a video program for the purpose of training election officials, including special voting deputies and special registration deputies. The board shall make any such program available for viewing electronically through an Internet–based system.

(a) “Employee” has the meaning given under s. 101.01 (3).

(b) “Employer” has the meaning given under s. 101.01 (4).

(c) “State agency” has the meaning given under s. 20.001 (1) and includes an authority created under subch. II of ch. 114 or ch. 231, 232, 233, 234, or 237.

(2) Service as an election official under this chapter shall be mandatory upon all individuals appointed, during the full 2–year term, after which they shall be exempt from further service as an election official, under this chapter, until 3 terms of 2 years each have elapsed. Municipal clerks may grant exemptions from service at any time.

(3) Every employer shall grant to each employee who is appointed to serve as an election official under s. 7.30 a leave of absence for the entire 24–hour period of each election day in which the official serves in his or her official capacity. (4) Except as otherwise provided in this subsection, each local governmental unit, as defined in s. 16.97 (7), may, and each state agency shall, upon proper application under sub. (3), permit each of its employees to serve as an election official under s. 7.30 without loss of fringe benefits or seniority privileges earned for scheduled working hours during the period specified in sub. (3), without loss of pay for scheduled working hours during the period specified in sub. (3) except as provided in sub. (5), and without any other penalty. For employees who are included in a collective bargaining unit for which a representative is recognized or certified under subch. V of ch. 111, this subsection shall apply unless otherwise provided in a collective bargaining agreement.

(5) Any employee of a local governmental unit, as defined in s. 16.97 (7), or state agency who obtains a paid leave of absence under sub. (4) in order to serve as an election official under s. 7.30 shall certify in writing to the head of the local governmental unit or state agency by which he or she is employed the amount of compensation that the employee receives for such service. Upon receipt of the certification, the head of the local governmental unit or state agency shall deduct that amount from the employee’s pay earned for scheduled working hours during the period specified in sub. (2) when the employee is on a paid leave of absence.

(6) Each employer other than a state agency shall, upon proper application under sub. (3), permit each of its employees to serve

as an election official under s. 7.30 without loss of fringe benefits or seniority privileges earned for scheduled working hours during the period specified in sub. (3), and shall not impose any other penalty upon an employee who serves as an election official, except the employer need not pay wages to an employee for time not worked while the employee is serving as an election official.

7.36 Chief inspector’s duties. Subject to the supervision of the municipal clerk or executive director of the board of election commissioners, the chief inspector shall direct the conduct of activities assigned to the inspectors at the polling place. The chief inspector shall refer any question as to the proper procedure to be employed in carrying out the inspectors’ duties to the municipal clerk or executive director.

History: 1985 a. 304.

7.37 Inspectors’ duties. (1) ADJOURN TO ANOTHER LOCATION. Whenever it becomes impossible or inconvenient to hold an election at the designated location, the inspectors, after assembling at or as near the designated polling place as practicable and before receiving any votes, may adjourn to the nearest convenient place for holding the election. The inspectors shall make a proclamation of the move and a law enforcement officer or other proper person designated by the municipal clerk shall be stationed at or as near as possible to the place where the adjournment was made, to notify all electors of the place to which the election adjourned. At the new location the inspectors shall immediately proceed with the election.

(2) PRESERVE ORDER. The inspectors shall possess full authority to maintain order and to enforce obedience to their lawful commands during the election and the canvass of the votes. They shall permit only one person in a voting booth at a time and shall prevent any person from taking notice of how another person has voted, except when assistance is given under s. 6.82. They shall enforce s. 5.35 (5) and prevent electioneering and distribution of election–related material from taking place in violation of ss. 12.03 and 12.035. If any person refuses to obey the lawful commands of an inspector, or is disorderly in the presence or hearing of the inspectors, interrupts or disturbs the proceedings, they may order any law enforcement officer to remove the person from the voting area or to take the person into custody.

(3) CHECK BALLOT BOXES. Immediately before the proclamation that the polls are open the election inspectors shall open each ballot box in the presence of the people assembled there, turn the boxes upside down so as to empty them of everything that may be inside and then lock them. The ballot boxes shall remain locked and shall not be reopened until the polls close for the purpose of counting the ballots therein.

(4) BALLOTING PROCEDURE. At polling places which utilize paper ballots or electronic voting systems in which ballots are distributed to electors, 2 inspectors shall be assigned to take charge of the official ballots. They shall write their initials on the back of each ballot and deliver to each elector as he or she enters the voting booth one ballot properly endorsed by each of them. Where paper ballots are used, the inspectors shall fold each ballot in the proper manner to be deposited before delivering it to the elector. If asked, inspectors may instruct any elector as to the proper manner of marking the ballot, but they may not give advice, suggestions, express any preferences or make any requests as to the person for whom, the question on which or the ballot on which the elector shall vote.

(5) IMPROPER CONDUCT. Any election official who intentionally fails to properly endorse a ballot or who intentionally gives an elector a ballot not properly endorsed shall be removed as an election official.

(6) ATTACH STICKERS. Whenever a vacancy occurs in a nomination after the ballots have been printed and stickers are provided

under s. 7.38 or 8.35 (2), the inspectors shall, at the direction of the municipal clerk, properly apply the stickers to the official ballots before endorsement.

(7) **POLL LISTS.** Two inspectors shall be assigned to have charge of the poll lists at each election.

(8) **ELECTRONIC VOTING SYSTEMS.** Prior to the opening of the polling place, wherever electronic voting systems employing voting devices are used, the inspectors shall place the voting devices in position for voting and examine them to see that they are in proper working order.

(9) **POSTING SAMPLE BALLOTS.** Two sample ballots sent by the municipal clerk shall be posted by the inspectors near the entrance to the polling place for public inspection throughout the day.

(10) **CHALLENGED ELECTORS.** If any person is challenged for cause, the inspectors shall proceed under ss. 6.92 and 6.925 and with the aid of other provisions of ch. 6 as appear applicable, shall resolve the challenge.

(11) **SPOILED BALLOTS.** Any spoiled ballot returned to an inspector under s. 6.80 (2) (c) shall be immediately destroyed by one of the inspectors.

(12) **CANVASSERS.** The election inspectors shall constitute the board of canvassers of their polling place and in that capacity shall perform the duties under s. 7.51, except as otherwise designated by the municipal clerk under ss. 5.85 and 5.86.

(13) **CLOSING OF POLLS.** For each polling place, the municipal clerk shall designate an official of the municipality who shall position himself or herself at the end of the line of individuals waiting to vote, if any at the time that the polls officially close. The official may be an inspector or special registration deputy appointed under s. 6.55 (6) who serves at that polling place, an employee of the municipal clerk or a police officer. Only individuals in line ahead of the official shall be permitted to vote under s. 6.78 (4).

The requirement under sub. (4) that each ballot be initialed by 2 inspectors is directory, not mandatory, when the number of votes is equal to the number of electors. *Roth v. LaFarge School District Board of Canvassers*, 2001 WI App 221, 247 Wis. 2d 708, 634 N.W.2d 882, 01–0160.

7.38 Vacancies after nomination. (1) Except as provided in sub. (4), after the death of a candidate nominated for a partisan office, either in a primary or when no primary is required under s. 8.50 (3) (b), the vacancy may be filled by the candidate's political party. In the case of county offices, the vacancy shall be filled by the chairperson of the county committee. If no county committee exists, the vacancy shall be filled by the chairperson of the state committee. For other offices, the vacancy shall be filled by the chairperson of the state committee. The appropriate chairperson shall file with the official or agency with whom nomination papers are filed for the office a certificate signed, certified and sworn to the same as an original nomination paper. The certificate shall state the cause of the vacancy, the name of the new nominee and the office for which the nomination is made. A political party may not nominate a candidate for an office for which no person representing that party has filed nomination papers and a declaration of candidacy.

(2) The certificate shall be filed within 4 days of the date of notification of the vacancy and shall have the same effect as original nomination papers.

(3) If the vacancy occurs after ballots have been printed in any county or municipality, the chairperson of the committee filling the vacancy shall supply the municipal clerk with stickers containing the name of the new nominee only. The stickers may be no larger than the space provided on the ballot for the original candidate's name and office.

(4) There can be no vacancy in nomination prior to a party primary, except when no primary is required under s. 8.50 (3) (b).

(5) In the event of failure to file the name of a current state chairperson, as required under s. 8.17 (12), the board may not rec-

ognize the state committee for the purpose of filling vacancies under sub. (1).

7.40 Sample ballots. Any individual, committee or candidate, at their own expense, subject to limitations upon contributions and disbursements under ch. 11, may print a supply of sample ballots, provided they bear on their face the information required by s. 11.30 (2) and they contain all the names shown on the official ballot.

History: 1987 a. 391 s. 46m.

7.41 Public's right to access. (1) Any member of the public may be present at any polling place, in the office of any municipal clerk whose office is located in a public building on any day that absentee ballots may be cast in that office, or at an alternate site under s. 6.855 on any day that absentee ballots may be cast at that site for the purpose of observation of an election and the absentee ballot voting process, except a candidate whose name appears on the ballot at the polling place or on an absentee ballot to be cast at the clerk's office or alternate site at that election. The chief inspector or municipal clerk may reasonably limit the number of persons representing the same organization who are permitted to observe under this subsection at the same time.

(2) The chief inspector or municipal clerk may restrict the location of any individual exercising the right under sub. (1) to certain areas within a polling place, the clerk's office, or alternate site under s. 6.855. The chief inspector or municipal clerk shall clearly designate such an area as an observation area. Designated observation areas shall be so positioned to permit any authorized individual to readily observe all public aspects of the voting process.

(3) The chief inspector or municipal clerk may order the removal of any individual exercising the right under sub. (1) if that individual commits an overt act which:

(a) Disrupts the operation of the polling place, clerk's office, or alternate site under s. 6.855; or

(b) Violates s. 12.03 (2) or 12.035.

(4) No individual exercising the right under sub. (1) may view the confidential portion of a registration list maintained under s. 6.36 (4) or a poll list maintained under s. 6.79 (6). However, the inspectors or municipal clerk shall disclose to such an individual, upon request, the existence of such a list, the number of electors whose names appear on the list, and the number of those electors who have voted at any point in the proceedings. No such individual may view the certificate of an absent elector who obtains a confidential listing under s. 6.47 (2).

(5) The board may promulgate rules that are consistent with the requirements of sub. (2) regarding the proper conduct of individuals exercising the right under sub. (1), including the interaction of those individuals with inspectors and other election officials.

SUBCHAPTER II

CANVASS OF RETURNS AND CERTIFICATION

7.50 Elector intent. (1) **REQUIREMENTS AND RESTRICTIONS.** (a) Except as provided in s. 7.15 (6), only ballots provided by the person authorized to have them printed shall be cast and counted in any election.

(b) When an elector casts more votes for any office or measure than he or she is entitled to cast at an election, all the elector's votes for that office or measure are invalid and the elector is deemed to have voted for none of them, except as provided in par. (c) and sub. (2) (d). If an elector casts less votes for any office or measure than

he or she is entitled to cast at an election, all votes cast by the elector shall be counted but no vote shall be counted more than once.

(c) If an elector casts more than one vote for the same candidate for the same office, the first vote is valid and the remaining votes are invalid.

(d) Whenever an electronic voting system is used at a polling place in a partisan primary, and the same ballot is utilized to cast votes for candidates of more than one recognized political party or candidates of a party and independent candidates, if an elector designates a preference for a party or for independent candidates, only votes cast within that preference category may be counted. If an elector does not designate a preference and makes a mark or affixes a sticker opposite candidates of more than one recognized political party or opposite a candidate in the independent candidates' column and a candidate of a recognized political party, no votes cast by the elector for any candidate for partisan office are valid. Votes for other candidates and votes on ballot questions, if any, shall be counted if otherwise valid.

(2) ASCERTAINMENT OF INTENT. All ballots cast at an election which bear the initials of 2 inspectors shall be counted for the person or referendum question for whom or for which they were intended, so far as the electors' intent can be ascertained from the ballots notwithstanding informality or failure to fully comply with other provisions of chs. 5 to 12. To determine intent:

(a) At a general election, if the elector places a mark, symbol or sticker under a party designation at the head of a column in or near the space indicated for that purpose, it is a vote for all the candidates whose names appear in the marked column except as otherwise provided in this paragraph. If a name is stricken, it is not a vote for that candidate. If a name is written in, it is a vote for the write-in candidate. If a sticker is attached it is a vote for the candidate whose name appears on the sticker. If in some other column there is a mark in the square to the right of a specific candidate's name or at the place designated on the ballot for marking a vote for a specific candidate for the same office, it is a vote for that specific candidate and no vote may be counted for the candidate for the same office in the column marked for a straight party vote.

(b) A ballot cast without any marks or stickers may not be counted. A ballot without a mark at the top of a party column may be counted only for persons for whom marks are applicable.

(c) If an elector marks a ballot with a cross (X), or any other marks, as |, A, V, O, /, ✓, +, within the square to the right of a candidate's name, or any place within the space in which the name appears, indicating an intent to vote for that candidate, it is a vote for the candidate whose name it is opposite.

(cm) Any apparent erasure of a mark next to the name of a candidate may not be counted as a vote for that candidate if the elector makes another mark next to the name of one or more different candidates for the same office and counting of the mark would result in an excess number of votes cast for the office.

(d) If an elector writes a person's name in the proper space for write-in candidates for an office, it is a vote for the person written in for the office indicated, regardless of whether the elector strikes the names appearing in the same column for the same office, or places a mark by the same or any other name for the same office, or omits placing a mark to the right of the name written in. If an elector is permitted to vote for more than one candidate for the same office in an election and casts one or more write-in votes which, when added to the votes cast for candidates whose names appear on the ballot, exceed the number of votes authorized to be cast for the office, the write-in votes shall be counted and the votes for candidates whose names appear on the ballot may not be counted, unless there are more write-in votes than votes authorized to be cast, in which case no votes may be counted for the office.

(e) No write-in vote shall be regarded as defective due to misspelling a candidate's name, or by abbreviation, addition, omission or use of a wrong initial in the name. Every vote shall be

counted for the candidate for whom it was intended, if the elector's intent can be ascertained from the ballot itself.

(f) If a sticker applied to the ballot lists a candidate's name and the office which the candidate seeks, it is a vote for the name appearing on the sticker even if the sticker does not contain a box or the elector omits the cross to the right of the name, or makes a cross in another column for a candidate for the same office. If a sticker is pasted over the name of any candidate printed on the ballot, it is a vote for the candidate shown on the sticker but no vote may be counted for the candidate over which the sticker is pasted. Only stickers appearing on the face of the ballot may be counted.

(g) In partisan primaries, if an elector writes in the name of an individual on a ballot other than the one on which that individual's name is shown as a candidate, the write-in vote may not be counted.

(h) In the general election or a partisan special election, a write-in vote may not be counted for any candidate if the candidate's name appears on the official ballot, except a write-in vote cast for the same office under which the candidate's name appears if no other similar name appears on the ballot for any office.

(hm) In a nonpartisan primary or election using voting machines if an elector is permitted to vote for more than one candidate for the same office, a write-in vote may not be counted if the vote is cast for a candidate whose name appears on the ballot for that office.

(i) The failure by an elector to write in the name of a candidate for the office of vice president of the United States on the general election ballot does not invalidate the elector's vote for any candidate whose name is written in for the office of president of the United States. The failure of an elector to write in the name of a candidate for the office of president of the United States on the general election ballot invalidates the elector's vote for any candidate whose name is written in for the office of vice president of the United States. The failure of an elector to write in the name of a candidate for the office of governor or lieutenant governor on the general election ballot does not invalidate the elector's vote for any candidate whose name is written in for the office of governor or lieutenant governor alone.

(im) If an elector votes for an independent candidate for the office of governor or lieutenant governor but does not vote for any candidate as a running mate of that candidate for the office of lieutenant governor or governor, the vote cast by the elector shall be recorded as a vote cast for both offices and shall not be cumulated with a vote cast by any other elector for the same candidate for the same office jointly with any vote cast for a running mate of that candidate. If an elector votes for independent candidates for the offices of governor and lieutenant governor, the vote cast by the elector shall not be cumulated with a vote cast by any other elector for one but not both of the candidates for whom the elector casts his or her vote.

(j) If an elector writes in or pastes a sticker in the position for an office, it is a vote for that office, even if the elector writes in or the sticker indicates the name of a different office.

A board of canvassers may use its discretion and make findings only when the standards of a statute do not apply. Sub. (2) (c) minimizes a board's discretion. When there is a qualifying mark in a qualifying place on the ballot the vote should be counted. *Roth v. LaFarge School District*, 2004 WI 6, 268 Wis. 2d 335, 677 N.W.2d 599, 02–0542.

7.51 Local board of canvassers. (1) CANVASS PROCEDURE. Immediately after the polls close the inspectors except any inspector appointed under s. 7.30 (1) (b) shall proceed to canvass publicly all votes received at the polling place. In any municipality where an electronic voting system is used, the municipal governing body or board of election commissioners may provide or authorize the municipal clerk or executive director of the board of election commissioners to provide for the adjournment of the canvass to one or more central counting locations for specified poll-

ing places in the manner prescribed in subch. III of ch. 5. No central counting location may be used to count votes at a polling place where an electronic voting system is not employed. The canvass, whether conducted at the polling place or at a central counting location, shall continue without adjournment until the canvass is completed and the return statement is made or, in municipalities where absentee ballots are canvassed under s. 7.52, until the canvass of all ballots cast is completed and the return statement for those ballots are made. The inspectors shall not permit access to the name of any elector who has obtained a confidential listing under s. 6.47 (2) during the canvass, except as authorized in s. 6.47 (8).

(2) TALLYING. (a) The inspectors shall first compare the poll lists, correcting any mistakes until the poll lists agree. The chief inspector and the inspectors who are responsible for recording electors under s. 6.79 shall verify the correctness of the poll lists after the polls close by each signing their name thereto. Where ballots are distributed to electors, the inspectors shall then open the ballot box and remove and count the number of ballots therein without examination except as is necessary to ascertain that each is a single ballot. If 2 or more ballots are folded together so as to appear as a single ballot, the inspectors shall lay them aside until the count is completed; and if, after a comparison of the count and the appearance of the ballots it appears to a majority of the inspectors that the ballots folded together were voted by the same person they may not be counted but the inspectors shall mark them as to the reason for removal, set them aside and carefully preserve them. The inspectors shall then proceed under par. (b).

(b) When during the counting of the ballots cast at an election a majority of the inspectors find that a ballot is so defective that they cannot determine with reasonable certainty for whom it was cast, they shall so mark the ballot and preserve it. The inspectors shall not count the vote cast on the ballot for any office for which they determine the ballot to be defective.

(c) Whenever the number of ballots exceeds the number of voting electors as indicated on the poll list, the inspectors shall place all ballots face up to check for blank ballots. In this paragraph, “blank ballot” means a ballot on which no votes are cast for any office or question. The inspectors shall mark, lay aside and preserve any blank ballots. Except in municipalities where absentee ballots are canvassed under s. 7.52, if the number of ballots still exceeds the number of voting electors, the inspectors shall place all ballots face down and proceed to check for the initials. The inspectors shall mark, lay aside and preserve any ballot not bearing the initials of 2 inspectors or any absentee ballot not bearing the initials of the municipal clerk. During the count the inspectors shall count those ballots cast by challenged electors the same as the other ballots.

(d) The inspectors shall keep a written statement, in duplicate, of the number of ballots set aside and the number of defective ballots and challenged ballots. The statement shall contain a record of the reasons for setting aside each ballot and the reasons why each defective or challenged ballot is defective or challenged. The inspectors shall certify that the statement is correct, sign it, and attach it to the tally sheets.

(e) Except in municipalities where absentee ballots are canvassed under s. 7.52, if after any ballots have been laid aside, the number of ballots still exceeds the total number of electors recorded on the poll list, the inspectors shall separate the absentee ballots from the other ballots. If there is an excess number of absentee ballots, the inspectors shall place the absentee ballots in the ballot box and one of the inspectors shall publicly and without examination draw therefrom by chance the number of ballots equal to the excess number of absentee ballots. If there is an excess number of nonabsentee ballots, the inspectors shall place those ballots in the ballot box and one of the inspectors shall publicly and without examination draw therefrom by chance the number of ballots equal to the excess number of those ballots. All ballots so removed may not be counted but shall be specially marked as having been removed by the inspectors on original canvass due

to an excess number of ballots, set aside and preserved. When the number of ballots and total shown on the poll list agree, the inspectors shall return all ballots to be counted to the ballot box and shall turn the ballot box in such manner as to thoroughly mix the ballots. The inspectors shall then open, count and record the number of votes. When the ballots are counted, the inspectors shall separate them into piles for ballots similarly voted. Objections may be made to placement of ballots in the piles at the time the separation is made.

(f) If corrected ballots are distributed under s. 5.72 (3) or 7.10 (3), only the votes cast on the corrected ballots may be counted for any office or referendum in which the original ballots differ from the corrected ballots.

(g) Immediately after the polls close, where voting machines are used, the inspectors shall open the registering or recording compartments or remove the record of the votes cast and shall canvass, record, announce and return on the tally sheets and certificates furnished. In recording the votes registered on any counter which, before the opening of the polls, did not register 000, the inspectors shall upon the return sheets subtract the number registered before the polls opened from the number registered when the polls closed. The difference between the 2 numbers is the correct vote for the candidate whose name was represented by the counter, except if the number registered on the counter when the polls closed is smaller than the number registered thereon when the polls opened, the number 1,000 shall be added to the number registered when the polls closed, before the subtraction is made.

(h) Where a voting machine is used which produces a written record of the total votes cast for each candidate or referendum, the written record shall be presumed correct without reference to the total shown on the recorder in making its original statement, unless an error in the record is clearly apparent or unless a candidate at the election, or in the canvass of a referendum an elector who voted at the referendum, requests that the machine be viewed.

(3) SECURING THE BALLOTS. (a) The inspectors shall place together all ballots counted by them which relate to any national, state or county office or any state, county or technical college district referendum and secure them together so that they cannot be untied or tampered with without breaking the seal. The secured ballots together with any ballots marked “Defective” shall then be secured by the inspectors in the ballot container in such a manner that the container cannot be opened without breaking the seals or locks, or destroying the container. The inspectors shall place the ballots cast under s. 6.97 in a separate, securely sealed carrier envelope which is clearly marked “Section 6.97 ballots”. The chief inspector and 2 other inspectors shall sign the carrier envelope. The carrier envelope shall not be placed in the ballot container. The inspectors shall then deliver the ballots to the municipal clerk in the ballot container and carrier envelope.

(b) For ballots which relate only to municipal or school district offices or referenda, the inspectors, in lieu of par. (a), after counting the ballots shall return them to the proper ballot boxes, lock the boxes, paste paper over the slots, sign their names to the paper and deliver them and the keys therefor to the municipal or school district clerk. The clerk shall retain the ballots until destruction is authorized under s. 7.23.

(c) Where voting machines are used, as soon as the count is complete and fully recorded, the inspectors shall seal, close and lock the machine, or remove the record so it cannot be voted on or tampered with. They shall then proceed to separately canvass and return any paper ballots voted under s. 5.40 (3) to (6). The inspectors shall count the challenged ballots the same as other ballots. Upon completion of the canvass, the inspectors shall return the paper ballots in a separate envelope marked “Paper Ballots”. The inspectors shall place the record of write-in votes cast on the machines in an envelope marked “Write-In Votes”. The inspectors shall return the paper ballots and write-in votes along with any printed voting record produced by the voting machines to the clerk under par. (a) or (b) or to the board of election commissioners. The inspectors shall place the envelopes and printed voting

record in a properly sealed bag or container, indicating the ward or wards and county.

(d) Except in municipalities where absentee ballots are canvassed under s. 7.52, all absentee certificate envelopes which have been opened shall be returned by the inspectors to the municipal clerk in a securely sealed carrier envelope which is clearly marked “used absentee certificate envelopes”. The envelopes shall be signed by the chief inspector and 2 other inspectors. Except when the ballots are used in a municipal or school district election only, the municipal clerk shall transmit the used envelopes to the county clerk.

(4) ANNOUNCE AND REPORT. (a) The tally sheets shall state the total number of votes cast for each office and for each individual receiving votes for that office, whether or not the individual’s name appears on the ballot, and shall state the vote for and against each proposition voted on. Upon completion of the tally sheets, the inspectors shall immediately complete the inspectors’ statement. The inspectors shall state the excess, if any, by which the number of ballots exceeds the number of electors voting as shown by the poll list and shall state the number of the last elector as shown by the poll lists. At least 3 inspectors, including the chief inspector and, unless election officials are appointed under s. 7.30 (4) (c) without regard to party affiliation, at least one inspector representing each political party, but not including any inspector appointed under s. 7.30 (1) (b), shall then certify to the correctness of the statement and tally sheets and sign their names. All other election officials assisting with the tally shall also certify to the correctness of the tally sheets. When the tally is complete, the inspectors shall publicly announce the results from the statement.

(b) The chief inspector, or one of the inspectors appointed by him or her, immediately after the votes are tabulated or counted at each election, shall report the returns of the election to the municipal clerk or to the school district clerk for school district elections, except in 1st class cities. The clerk shall then make the returns public.

(5) RETURNS. (a) 1. The inspectors shall make full and accurate return of the votes cast for each candidate and proposition on tally sheet forms provided by the municipal clerk for that purpose. Each tally sheet shall record the returns for each office or referendum by ward, unless combined returns are authorized in accordance with s. 5.15 (6) (b) in which case the tally sheet shall record the returns for each group of combined wards.

2. After recording the votes, the inspectors shall seal in a carrier envelope outside the ballot bag or container one tally sheet and one poll list for delivery to the county clerk, unless the election relates only to municipal or school district offices or referenda.

3. The inspectors shall also seal the inspectors’ statement, inside a separate carrier envelope, and shall similarly seal in a separate carrier envelope one tally sheet and one poll list for delivery to the municipal clerk. For school district elections, except in 1st class cities, the inspectors shall seal one tally sheet and one poll list for delivery to the school district clerk.

4. The inspectors shall immediately deliver all ballots, statements, tally sheets, lists, and envelopes to the municipal clerk.

5. Upon receipt of the materials under subd. 4., the municipal clerk shall make sufficient copies of the inspectors’ statement under sub. (4) (a) and seal one copy of the statement inside a carrier envelope together with the envelope containing any materials required to be delivered to the county clerk or the school district clerk. The municipal clerk shall retain the original inspectors’ statement.

(b) The municipal clerk shall deliver all ballots, statements, tally sheets, lists, and envelopes relating to a school district election to the school district clerk by 4 p.m. on the day following each such election. The municipal clerk shall deliver the ballots, statements, tally sheets, lists, and envelopes for his or her municipality relating to any county, technical college district, state, or national election to the county clerk no later than 4 p.m. on the day following each such election or, in municipalities where absentee ballots

are canvassed under s. 7.52, by 4 p.m. on the 2nd day following each such election, and no later than 4 p.m. on the day after receiving any corrected returns under s. 6.221 (6) (b). The person delivering the returns shall be paid out of the municipal treasury. Each clerk shall retain ballots, statements, tally sheets, or envelopes received by the clerk until destruction is authorized under s. 7.23 (1).

(6) ELECTRONIC VOTING SYSTEMS. The procedure for canvassing of votes cast at polling places utilizing an electronic voting system in which ballots are distributed to electors shall follow the procedure for canvassing paper ballots insofar as applicable, and the procedure for canvassing of votes cast at polling places utilizing an electronic voting machine shall follow the procedure for canvassing of mechanical voting machines insofar as applicable, except as otherwise provided in ss. 5.85 to 5.89.

7.52 Canvassing of absentee ballots. (1) (a) The governing body of any municipality may provide by ordinance that, in lieu of canvassing absentee ballots at polling places under s. 6.88, the municipal board of absentee ballot canvassers designated under s. 7.53 (2m) shall canvass all absentee ballots at all elections held in the municipality. Prior to enacting an ordinance under this subsection, the municipal clerk or board of election commissioners of the municipality shall notify the board in writing of the proposed enactment and shall consult with the board concerning administration of this section. At every election held in the municipality following enactment of an ordinance under this subsection, the board of absentee ballot canvassers shall, any time after the opening of the polls and before 10 p.m. on election day, publicly convene to count the absentee ballots for the municipality. The municipal clerk shall give at least 48 hours’ notice of any meeting under this subsection. Any member of the public has the same right of access to a meeting of the municipal board of absentee ballot canvassers under this subsection that the individual would have under s. 7.41 to observe the proceedings at a polling place. The board of absentee ballot canvassers may order the removal of any individual exercising the right to observe the proceedings if the individual disrupts the meeting.

(b) A municipality that adopts the canvassing procedure under this section may appoint additional inspectors under s. 7.30 (2) (a) to assist the absentee ballot board of canvassers in canvassing absentee ballots under this section. In such case, an odd number of inspectors shall be appointed, and at no time may there be less than 3 inspectors who serve. Except as authorized in s. 7.30 (4) (c), all inspectors shall be affiliated with one of the 2 recognized political parties receiving the largest numbers of votes for president, or for governor in nonpresidential general election years, in the municipality. The party whose candidate received the largest number of votes in the municipality is entitled to one more inspector than the party whose candidate received the next largest number of votes in the municipality. Each inspector so appointed shall be a qualified elector of the municipality. The inspectors who are appointed under this paragraph shall serve under the direction and supervision of the board of absentee ballot canvassers.

(c) In each municipality where absentee ballots are canvassed under this section, no later than the closing hour of the polls, the municipal clerk shall post at his or her office and on the Internet at a site announced by the clerk before the polls open, and shall make available to any person upon request, a statement of the number of absentee ballots that the clerk has mailed or transmitted to electors and that have been returned by the closing hour on election day. The posting shall not include the names or addresses of any electors.

(2) In counting the absentee ballots, the board of absentee ballot canvassers shall use 2 duplicate copies of a single poll list for the entire municipality prepared in accordance with s. 6.36 (2).

Upon accepting each absentee ballot, the board of absentee ballot canvassers shall enter a poll list number on the poll list next to the name of the elector who voted the ballot, beginning with the number one. If the elector's name does not appear on the poll list, the board of absentee ballot canvassers shall enter the number on a separate list maintained under this subsection.

(3) (a) The board of absentee ballot canvassers shall first open the carrier envelope only, and, in such a manner that a member of the public, if he or she desired, could hear, announce the name of the absent elector or the identification serial number of the absent elector if the elector has a confidential listing under s. 6.47 (2). When the board of absentee ballot canvassers finds that the certification has been properly executed and the applicant is a qualified elector of the ward or election district, the board of absentee ballot canvassers shall enter an indication on the poll list next to the applicant's name indicating an absentee ballot is cast by the elector. The board of absentee ballot canvassers shall then open the envelope containing the ballot in a manner so as not to deface or destroy the certification thereon. The board of absentee ballot canvassers shall take out the ballot without unfolding it or permitting it to be unfolded or examined. Unless the ballot is cast under s. 6.95, the board of absentee ballot canvassers shall verify that the ballot has been endorsed by the issuing clerk. If the poll list indicates that proof of residence is required and no proof of residence is enclosed or the name or address on the document that is provided is not the same as the name and address shown on the poll list, the board of absentee ballot canvassers shall proceed as provided under s. 6.97 (2). The board of absentee ballot canvassers shall mark the poll list number of each elector who casts an absentee ballot on the back of the elector's ballot. The board of absentee ballot canvassers shall then deposit the ballot into the proper ballot box and enter the absent elector's name or poll list number after his or her name on the poll list.

(b) When the board of absentee ballot canvassers finds that a certification is insufficient, that the applicant is not a qualified elector in the ward or election district, that the ballot envelope is open or has been opened and resealed, that the ballot envelope contains more than one ballot of any one kind, or that the certificate of an elector who received an absentee ballot by facsimile transmission or electronic mail is missing, or if proof is submitted to the board of absentee ballot canvassers that an elector voting an absentee ballot has since died, the board of absentee ballot canvassers shall not count the ballot. Each member of the board of absentee ballot canvassers shall endorse every ballot not counted on the back as "rejected (giving the reason)." The board of absentee ballot canvassers shall reinsert each rejected ballot into the certificate envelope in which it was delivered and enclose the certificate envelopes and ballots, and securely seal the ballots and envelopes in an envelope marked for rejected absentee ballots. The board of absentee ballot canvassers shall endorse the envelope as "rejected ballots," with a statement of the ward or election district and date of the election, and each member of the board of absentee ballot canvassers shall sign the statement. The board of absentee ballot canvassers shall then return the envelope containing the ballots to the municipal clerk.

(4) (a) The board of absentee ballot canvassers shall then open the ballot box and remove and count the number of ballots therein without examination except as is necessary to ascertain that each is a single ballot. If 2 or more ballots are folded together so as to appear as a single ballot, the board of absentee ballot canvassers shall lay them aside until the count is completed; and if, after a comparison of the count and the appearance of the ballots it appears to the board of absentee ballot canvassers that the ballots folded together were voted by the same person they shall not be counted but the board of absentee ballot canvassers shall mark them as to the reason for removal, set them aside, and carefully preserve them. The board of absentee ballot canvassers shall then proceed under par. (b).

(b) When during the counting of the ballots cast at an election the board of absentee ballot canvassers finds that a ballot is so

defective that it cannot determine with reasonable certainty for whom it was cast, the board of absentee ballot canvassers shall so mark the ballot and preserve it. The board of absentee ballot canvassers shall not count the vote cast on the ballot for any office for which it determines the ballot to be defective.

(c) Whenever the number of ballots exceeds the number of voting electors as indicated on the poll list, the board of absentee ballot canvassers shall place all ballots face up to check for blank ballots. In this paragraph, "blank ballot" means a ballot on which no votes are cast for any office or question. The board of absentee ballot canvassers shall mark, lay aside, and preserve any blank ballots. If the number of ballots still exceeds the number of voting electors, the board of absentee ballot canvassers shall place all ballots face down and proceed to check for the initials. The board of absentee ballot canvassers shall mark, lay aside, and preserve any ballot not bearing the initials of the municipal clerk. During the count, the board of absentee ballot canvassers shall count those ballots cast by challenged electors the same as the other ballots.

(d) The board of absentee ballot canvassers shall keep a written statement, in duplicate, of the number of ballots set aside and the number of defective ballots and challenged ballots. The statement shall contain a record of the reasons for setting aside each ballot and the reasons why each defective or challenged ballot is defective or challenged. The board of absentee ballot canvassers shall certify that the statement is correct, sign it, and attach it to the tally sheets.

(e) If, after any ballots have been set aside, the number of ballots still exceeds the total number of electors recorded on the poll list, the board of absentee ballot canvassers shall place the absentee ballots in the ballot box and one of the members shall publicly and without examination draw therefrom by chance the number of ballots equal to the excess number of ballots. All ballots so removed shall not be counted but shall be specially marked as having been removed by the board of absentee ballot canvassers on original canvass due to an excess number of ballots, set aside, and preserved. When the number of ballots and total shown on the poll list agree, the board of absentee ballot canvassers shall return all ballots to be counted to the ballot box and shall turn the ballot box in such manner as to thoroughly mix the ballots. The board of absentee ballot canvassers shall then open, count, and record the number of votes. When the ballots are counted, the board of absentee ballot canvassers shall separate them into piles for ballots similarly voted. Objections may be made to placement of ballots in the piles at the time the separation is made.

(f) If corrected ballots under s. 5.06 (6) or 5.72 (3) are distributed under s. 7.10 (3), only the votes cast on the corrected ballots may be counted for any office or referendum in which the original ballots differ from the corrected ballots.

(g) The board of absentee ballot canvassers shall place together all ballots counted by it that relate to any national, state, or county office or any state, county, or technical college district referendum and secure them together so they cannot be untied or tampered with without breaking the seal. The secured ballots, together with any ballots marked "Defective," shall then be secured by the board of absentee ballot canvassers in the ballot container in such a manner that the container cannot be opened without breaking the seals or locks, or destroying the container. The board of absentee ballot canvassers shall place the ballots cast under s. 6.97 in a separate, securely sealed carrier envelope which is clearly marked "Section 6.97 ballots." Each member of the board of absentee ballot canvassers shall sign the carrier envelope. The carrier envelope shall not be placed in the ballot container. The board of absentee ballot canvassers shall then deliver the ballots to the municipal clerk in the ballot container and carrier envelope.

(h) For ballots that relate only to municipal or school district offices or referenda, the board of absentee ballot canvassers, in lieu of par. (a), after counting the ballots shall return them to the proper ballot boxes, lock the boxes, paste paper over the slots, sign

their names to the paper, and deliver them and the keys therefor to the municipal or school district clerk. The clerk shall retain the ballots until destruction is authorized under s. 7.23.

(i) All absentee certificate envelopes that have been opened shall be returned by the board of absentee ballot canvassers to the municipal clerk in a securely sealed carrier envelope that is clearly marked “used absentee certificate envelopes.” The envelopes shall be signed by each member of the board of absentee ballot canvassers. Except when the ballots are used in a municipal or school district election only, the municipal clerk shall transmit the used envelopes to the county clerk.

(5) The vote of any absent elector may be challenged for cause and the board of absentee ballot canvassers shall have all the power and authority given the inspectors to hear and determine the legality of the ballot the same as if the ballot had been voted in person.

(6) (a) The board of absentee ballot canvassers shall review each certificate envelope to determine whether any absentee ballot is cast by an elector whose name appears on the poll list as ineligible to vote at the election, including ineligibility to vote by reason of a felony conviction. If the board of absentee ballot canvassers receives an absentee ballot that has been cast by an elector whose name appears on the poll list as ineligible to vote, the inspectors shall challenge the ballot in the same manner as provided for inspectors making challenges under s. 6.92 and shall treat the ballot in the manner as provided for treatment of challenged ballots by inspectors under s. 6.95.

(b) Any elector may challenge for cause any absentee ballot. For the purpose of deciding upon ballots that are challenged for any reason, the board of absentee ballot canvassers may call before it any person whose absentee ballot is challenged if the person is available to be called. If the person challenged refuses to answer fully any relevant questions put to him or her by the board of absentee ballot canvassers under s. 6.92, the board of absentee ballot canvassers shall reject the person’s vote. If the challenge is not withdrawn after the person offering to vote has answered the questions, one of the members of the board of absentee ballot canvassers shall administer to the person the following oath or affirmation: “You do solemnly swear (or affirm) that: you are 18 years of age; you are a citizen of the United States; you are now and for 10 days have been a resident of this ward except under s. 6.02 (2), stats.; you have not voted at this election; you have not made any bet or wager or become directly or indirectly interested in any bet or wager depending upon the result of this election; you are not on any other ground disqualified to vote at this election.” If the person challenged refuses to take the oath or affirmation, the person’s vote shall be rejected. If the person challenged answers fully all relevant questions put to the elector by the board of absentee ballot canvassers under s. 6.92, takes the oath or affirmation, and fulfills the applicable registration requirements, and if the answers to the questions given by the person indicate that the person meets the voting qualification requirements, the person’s vote shall be received.

(7) The board of absentee ballot canvassers shall maintain tally sheets on forms provided by the municipal clerk, which shall state the total number of votes cast for each office and for each individual receiving votes for that office, whether or not the individual’s name appears on the ballot, and shall state the vote for and against each proposition voted on. Upon completion of the canvass of the absentee ballots, the board of absentee ballot canvassers shall immediately complete statements in duplicate. The statements shall state the excess, if any, by which the number of ballots exceeds the number of electors voting as shown by the poll list used by the board of absentee ballot canvassers under this section and shall state the poll list number of the last elector as shown by the poll list. Each member of the board of absentee ballot canvassers shall then certify to the correctness of the statements and tally sheets and sign their names. All other election officials assisting with the tally shall also certify to the correctness of the tally sheets. When the tally is complete, the board of absentee bal-

lot canvassers shall publicly announce the results from the statements, and the records of the count are open to public inspection and copying under s. 19.35 (1).

(8) The board of absentee ballot canvassers shall make full and accurate return of the votes cast for each candidate and proposition on the tally sheet forms. Each tally sheet shall record the returns for each office or referendum by ward, unless combined returns are authorized in accordance with s. 5.15 (6) (b), in which case the tally sheet shall record the returns for each group of combined wards. After recording the votes, the board of absentee ballot canvassers shall seal in a carrier envelope outside the ballot bag or container one inspector’s statement under sub. (4) (d), one tally sheet, and one poll list for delivery to the county clerk, unless the election relates only to municipal or school district offices or referenda. The board of absentee ballot canvassers shall also similarly seal one statement, one tally sheet, and one poll list for delivery to the municipal clerk.

(9) The governing body of any municipality that has provided by ordinance enacted under sub. (1) for the canvassing of absentee ballots at all elections held in the municipality under this section may by similar action rescind that decision. Thereafter, the absentee ballots at all elections held in the municipality shall be canvassed as provided in s. 6.88.

History: 2005 a. 451.

7.53 Municipal canvass. (1) MUNICIPALITIES WITH ONE POLLING PLACE. Where the municipality constitutes one ward or combines all wards to utilize a single polling place under s. 5.15 (6) (b), the canvass of the votes cast at the polling place shall be conducted publicly under s. 7.51 and the inspectors, other than any inspector appointed under s. 7.30 (1) (b), shall act as the municipal board of canvassers. In municipalities where absentee ballots are canvassed under s. 7.52, after the canvass of the absentee ballots is completed under s. 7.52, the board of absentee ballot canvassers shall reconcile the poll list of the electors who vote by absentee ballot with the corresponding poll list of the electors who vote in person to ensure that no elector is allowed to cast more than one ballot. If an elector who votes in person has submitted an absentee ballot, the absentee ballot is void. Upon completion of the canvass under this subsection and any canvass that is conducted under s. 7.52 and ascertainment of the results by the inspectors or, in municipalities where absentee ballots are canvassed under s. 7.52, by the inspectors and the board of absentee ballot canvassers, the municipal clerk shall publicly read to the inspectors or the board of absentee ballot canvassers the names of the persons voted for and the number of votes for each person for each municipal office, the names of the persons declared by the inspectors or board of absentee ballot canvassers to have won nomination or election to each municipal office, and the number of votes cast for and against each municipal referendum question.

(2) MUNICIPALITIES WITH 2 OR MORE WARDS. (a) 1. Except as provided in par. (c), the municipal board of canvassers for municipal elections in each municipality utilizing more than one polling place shall be composed of the municipal clerk and 2 other qualified electors of the municipality appointed by the clerk. The members of the board of canvassers shall serve for 2-year terms commencing on January 1 of each odd-numbered year, except that any member who is appointed to fill a permanent vacancy shall serve for the unexpired term of the original appointee.

2. If the municipal clerk’s office is vacant or if the clerk cannot perform his or her duties, the mayor, president or board chairperson of the municipality shall designate another qualified elector of the municipality to serve in lieu of the clerk for that election.

3. If the clerk is a candidate at an election being canvassed, the clerk may perform his or her duties on the board of canvassers only if the clerk does not have an opponent whose name appears on the ballot, or in the case of a recount, if the office the clerk is seeking is not a subject of the recount. If the clerk is a candidate at the election being canvassed and has an opponent whose name appears on the ballot or if the office the clerk is seeking is a subject

of a recount, the mayor, president of [or] board chairperson of the municipality shall designate another qualified elector of the municipality to serve in lieu of the elector for that election.

NOTE: The bracketed language indicates the correct word. Corrective legislation is pending.

4. If any other member of the board of canvassers is a candidate at the election being canvassed, the clerk shall appoint another qualified elector of the municipality to temporarily fill the vacancy.

(c) In cities of more than 500,000 population, the board of election commissioners shall act as the board of canvassers.

(cm) If one or more temporary vacancies on the municipal board of canvassers reduces the number of members to less than 3, the municipal clerk shall appoint a member to fill each vacancy, except in cities of more than 500,000 population. In cities of more than 500,000 population, the executive director of the board of election commissioners shall serve as a member of the board of canvassers to fill a temporary vacancy on that board.

(d) The municipal board of canvassers shall publicly canvass the returns of every election. The canvass shall begin within 24 hours after the polls close. After any canvass of the absentee ballots is completed under s. 7.52, the board of canvassers shall reconcile the poll list of the electors who vote by absentee ballot with the corresponding poll list of the electors who vote in person to ensure that no elector is allowed to cast more than one ballot. If an elector who votes in person has submitted an absentee ballot, the absentee ballot is void. At the spring election, the board of canvassers shall publicly declare the results on or before the 2nd Tuesday in April. The board of canvassers shall prepare a statement showing the results of each election for any municipal office and each municipal referendum. After each primary for municipal offices, the board of canvassers shall prepare a statement certifying the names of those persons who have won nomination to office. After each other election for a municipal office and each municipal referendum, the board of canvassers shall prepare a determination showing the names of the persons who are elected to each municipal office and the results of each municipal referendum. The board of canvassers shall file each statement and determination in the office of the municipal clerk or board of election commissioners.

(2m) BOARD OF ABSENTEE BALLOT CANVASSERS. (a) If a municipality elects to count absentee ballots in the manner provided for in s. 7.52, the municipality shall establish a board of absentee ballot canvassers as provided in par. (b).

(b) Except as provided in par. (c), the municipal board of absentee ballot canvassers shall be composed of the municipal clerk, or a qualified elector of the municipality designated by the clerk, and 2 other qualified electors of the municipality appointed by the clerk. The members of the board of absentee ballot canvassers shall serve for 2-year terms commencing on January 1 of each odd-numbered year, except that any member who is appointed to fill a permanent vacancy shall serve for the unexpired term of the original appointee. If the municipal clerk's office is vacant or if the clerk and the clerk's designee cannot perform his or her duties, the mayor, president, or board chairperson of the municipality shall designate another qualified elector of the municipality to serve in lieu of the clerk for that election. If the clerk is a candidate at an election being canvassed, the clerk or the clerk's designee may perform the clerk's duties on the board of absentee ballot canvassers only if the clerk does not have an opponent whose name appears on the ballot. If the clerk is a candidate at the election being canvassed by the board of absentee ballot canvassers and has an opponent whose name appears on the ballot, the mayor, president, or board chairperson of the municipality shall designate another qualified elector of the municipality to serve in lieu of the clerk and his or her designee for that election. If any other member of the board of absentee ballot canvassers is a candidate at the election being canvassed, the clerk shall appoint another qualified elector of the municipality to temporarily fill the vacancy.

(c) Nothing in this subsection precludes a municipal clerk from appointing individuals to the board of absentee ballot canvassers who are simultaneously serving on any other board of canvassers.

(3) SCHOOL DISTRICT ELECTIONS. (a) In a common, union high or unified school district, the school district clerk shall appoint 2 qualified electors of the school district prior to the date of the election being canvassed who shall, with the school district clerk, constitute the school district board of canvassers. If the school district clerk is a candidate at the election being canvassed, the other 2 members of the board of canvassers shall designate a 3rd member to serve in lieu of the clerk for that election. The school district clerk shall appoint a member to fill any other temporary vacancy on the board of canvassers. The canvass shall begin as soon as possible after receipt of the returns, and shall continue, without adjournment, until completed. The board of canvassers may return defective returns to the municipal board of canvassers in the manner provided in s. 7.60 (3). The board of canvassers shall prepare a written statement showing the numbers of votes cast for each person for each office and for and against each question and shall prepare a determination showing the names of the persons who are elected to the school board and the results of any school district referendum. Following each primary election, the board of canvassers shall prepare a statement certifying the names of the persons who have won nomination to the school board. Each statement and determination shall be attested by each of the canvassers. The board of canvassers shall file each statement and determination in the school district office. The school district clerk shall certify nominations after each primary and issue certificates of election to persons who are elected to the school board after each election in the manner provided in sub. (4).

(b) In a 1st class city school district, the municipal board of canvassers or election commissioners shall determine the results of school district elections and referenda and shall file a written statement and determination of the results for each election and referendum in the office of the city clerk or board of election commissioners. The board of election commissioners or city clerk shall certify nominations after each primary and issue certificates of election to persons who are elected to the board of school directors after each election in the manner provided in sub. (4).

(4) CERTIFICATE OF ELECTION. As soon as the deadline for filing a petition for a recount has passed, the municipal clerk shall issue promptly a certificate of election to each person elected to any municipal office. When a valid petition for a recount is filed, the municipal clerk shall not issue the certificate of election for the office in question until the recount has been completed and the time allowed for filing an appeal has passed, or if appealed until the appeal is decided.

7.54 Contested elections. In all contested election cases, the contesting parties have the right to have the ballots opened and to have all errors of the inspectors, either in counting or refusing to count any ballot, corrected by the board of canvassers or court deciding the contest. The ballots and related materials may be opened only in open session of the board of canvassers or in open court and in the presence of the official having custody of them.

History: 1983 a. 484.

7.60 County canvass. (1) KEEP OFFICE OPEN. On election night the county clerk shall keep the clerk's office open to receive reports from the ward inspectors and shall post all returns.

(2) COUNTY BOARD OF CANVASSERS. The county clerk and 2 qualified electors of the county appointed by the clerk constitute the county board of canvassers. The members of the board of canvassers shall serve for 2-year terms commencing on January 1 of each odd-numbered year, except that any member who is appointed to fill a permanent vacancy shall serve for the unexpired term of the original appointee. One member of the board of canvassers shall belong to a political party other than the clerk's. The

county clerk shall designate a deputy clerk who shall perform the clerk's duties as a member of the board of canvassers in the event that the county clerk's office is vacant, or the clerk cannot perform his or her duties. If the county clerk and designated deputy clerk are both unable to perform their duties, the county executive or, if there is no county executive, the chairperson of the county board of supervisors shall designate another qualified elector of the county to perform the clerk's duties. If a member other than the clerk cannot perform his or her duties, the clerk shall appoint another member to serve. Except as otherwise provided in this subsection, no person may serve on the county board of canvassers if the person is a candidate for an office to be canvassed by that board. If the clerk is a candidate at an election being canvassed, the clerk may perform his or her duties on the board only if the clerk has no opponent whose name appears on the ballot, or, in the case of a recount, if the office the clerk is seeking is not a subject of the recount. If lists of candidates for the county board of canvassers are submitted to the county clerk by political party county committees, the lists shall consist of at least 3 names and the clerk shall choose the board members from the lists. Where there is a county board of election commissioners, it shall serve as the board of canvassers. If the county board of election commissioners serves as the board of canvassers, the executive director of the county board of election commissioners shall serve as a member of the board of canvassers to fill a temporary vacancy on that board.

(3) CANVASSING. Not later than 9 a.m. on the Thursday after each election the county board of canvassers shall open and publicly examine the returns. If returns have not been received from any election district or ward in the county, they shall dispatch a messenger and the person having them shall deliver the returns to the messenger. If, on examination, any of the returns received are so informal or defective that the board cannot intelligently canvass them, they shall dispatch a messenger to deliver the returns back to the municipal board of canvassers with written specifications of the informalities or defects and command them to immediately complete the returns or remedy the defects in the manner required and deliver them to the messenger. Every messenger shall safely keep all returns, show them to no one but the municipal clerk and board of canvassers and deliver them to the county clerk with all possible dispatch. To acquire the necessary full returns and remedy any informalities or defects the county board of canvassers may adjourn not longer than one day at a time nor more than 2 days in all.

(4) STATEMENTS AND DETERMINATIONS. (a) The board of canvassers shall make separate duplicate statements showing the numbers of votes cast for the offices of president and vice president; state officials; U.S. senators and representatives in congress; state legislators; justice; court of appeals judge; circuit judges; district attorneys; and metropolitan sewerage commissioners, if the commissioners are elected under s. 200.09 (11) (am). If a municipal judge elected under s. 755.01 (4) serves a municipality that is located partially within the county and candidates for that judgeship file nomination papers in another county, the board of canvassers shall prepare a duplicate statement showing the numbers of votes cast for that judgeship in that county for transmittal to the other county. For partisan candidates, the statements shall include the political party or principle designation, if any, next to the name of each candidate. The board of canvassers shall also prepare a statement showing the results of any county, technical college district or statewide referendum. Each statement shall state the total number of votes cast in the county for each office; the names of all persons for whom the votes were cast, as returned; the number of votes cast for each person; and the number of votes cast for and against any question submitted at a referendum. The board of canvassers shall use one copy of each duplicate statement to report to the elections board, technical college district board or board of canvassers of any other county and shall file the other statement in the office of the county clerk or board of election commissioners.

(b) The board of canvassers shall then prepare a written determination, in duplicate where necessary, giving the names of the persons elected to any county office and to any municipal judgeship if the judge is elected under s. 755.01 (4) and candidates for that judgeship file nomination papers in that county. The board of canvassers shall likewise prepare a written determination showing the results of any county referendum. Following any primary election, the board of canvassers shall prepare a statement certifying the names of all persons who have won nomination to any county office or any municipal judgeship, if the judge is elected under s. 755.01 (4) and candidates for that judgeship file nomination papers in that county. The board of canvassers shall file all statements and determinations in the office of the county clerk or board of election commissioners.

(c) In preparing the statements and determinations, the board of canvassers shall carefully review the tally sheets and inspectors' statement. The board of canvassers may omit the names of individuals whose names do not appear on the ballot and who receive a comparatively small number of votes. The board of canvassers shall designate votes received by such individuals as scattering votes. The board of canvassers shall append to each statement and determination a tabulation of the votes cast at each election district, ward or combination of wards authorized under s. 5.15 (6) (b) in the county for each office and each individual, whether the votes are canvassed or not, as well as the total canvassed votes cast for each individual and each office, except where scattering votes are designated. If any votes are rejected, the board of canvassers shall specify the reasons therefor.

(d) Each statement and determination issued under pars. (a) and (b) shall be certified as correct and attested to by each canvasser's signature.

(5) REPORTING. (a) Immediately following the canvass, the county clerk shall deliver or send to the elections board, by 1st class mail, a certified copy of each statement of the county board of canvassers for president and vice president, state officials, senators and representatives in congress, state legislators, justice, court of appeals judge, circuit judge, district attorney, and metropolitan sewerage commissioners, if the commissioners are elected under s. 200.09 (11) (am). The statement shall record the returns for each office or referendum by ward, unless combined returns are authorized under s. 5.15 (6) (b) in which case the statement shall record the returns for each group of combined wards. Following primaries the county clerk shall enclose on forms prescribed by the elections board the names, party or principle designation, if any, and number of votes received by each candidate recorded in the same manner. The county clerk shall deliver or transmit the certified statement to the elections board no later than 7 days after each primary except the September primary, no later than 10 days after the September primary and any other election except the general election, and no later than 14 days after the general election. The board of canvassers shall deliver or transmit a certified copy of each statement for any technical college district referendum to the secretary of the technical college district board.

(b) If the board of canvassers becomes aware of a material mistake in the canvass of an election for state or national office or a statewide or technical college district referendum prior to the close of business on the day the elections board receives returns from the last county board of canvassers with respect to that canvass, the board of canvassers may petition the elections board to reopen and correct the canvass. The elections board shall direct the canvass to be reopened and corrected if it determines that the public interest so requires. If the elections board directs the canvass to be reopened, the board of canvassers shall reconvene and transmit a certified corrected copy of the canvass statement to the elections board or secretary of the technical college district board.

(6) CERTIFICATE OF ELECTION. Immediately after expiration of the time allowed to file a petition for a recount the county clerk shall issue a certificate of election to each person who is elected to any county office. The certificate notice shall state the amount

of the required official bond, if any. When a petition for a recount is filed, the county clerk shall not issue the certificate of election for the office in question until the recount has been completed and the time allowed for filing an appeal has passed, or if appealed until the appeal is decided.

(7) OFFICIAL CANVASS RECORD. After the certificates of election have been prepared under sub. (6), the county clerk shall retain one copy of the official canvass for county offices and referenda in his or her office for public inspection.

7.70 State canvass. (1) RECORDING AND PRESERVING RETURNS. (a) Upon receipt of the certified statements from the county clerks, the elections board shall record the election results by counties and file and carefully preserve the statements.

(b) If any county clerk fails or neglects to forward any statements, the elections board may require the clerk to do so immediately and if not received by the 8th day after a primary, or by the 11th day after any other election, the elections board may dispatch a special messenger to obtain them. Whenever it appears upon the face of any statement that an error has been made in reporting or computing, the elections board may return it to the county clerk for correction.

(3) CANVASSING. (a) The chairperson of the board or a designee of the chairperson appointed by the chairperson to canvass a specific election shall publicly canvass the returns and make his or her certifications and determinations on or before the 2nd Tuesday following a spring primary, the 15th day of May following a spring election, the 3rd Wednesday following a September primary, the first day of December following a general election, the 2nd Thursday following a special primary, or within 18 days after any special election.

(b) The chairperson of the board or the chairperson's designee shall examine the certified statements of the county boards of canvassers. If it appears that any material mistake has been made in the computation of votes, or any county board of canvassers failed to canvass the votes or omitted votes from any ward or election district in the county, the chairperson of the board or the chairperson's designee may dispatch a messenger to the county clerk with written instructions to certify the facts concerning the mistake or the reason why the votes were not canvassed. A clerk to whom such instructions are delivered shall immediately make a true and full answer, sign it, affix the county seal and deliver it to the messenger. The messenger shall deliver it with all possible dispatch to the board.

(c) The chairperson of the board or the chairperson's designee shall conclude the state canvass within 10 days after its commencement.

(d) When the certified statements and returns are received, the chairperson of the board or the chairperson's designee shall proceed to examine and make a statement of the total number of votes cast at any election for the offices involved in the election for president and vice president; a statement for each of the offices of governor, lieutenant governor, if a primary, and a joint statement for the offices of governor and lieutenant governor, if a general election; a statement for each of the offices of secretary of state, state treasurer, attorney general, and state superintendent; for U.S. senator; representative in congress for each congressional district; the state legislature; justice; court of appeals judge; circuit judge; district attorney; metropolitan sewerage commission, if the commissioners are elected under s. 200.09 (11) (am); and for any referenda questions submitted by the legislature.

(e) The chairperson of the board or the chairperson's designee shall make a special statement to the board as soon as possible after the canvass certifying:

1. After each September primary, the name of each candidate not defeated in the primary who receives at least 6% of the total vote cast for all candidates on all ballots at the primary for each

separate state office except district attorney, and the percentage of the total vote received by that candidate. Such percentage shall be calculated within each district in the case of legislative candidates.

2. After the general election, the name of each political party which receives at least one percent of the vote cast in such election for any statewide office.

(f) The statements shall show the persons' names receiving votes, and any referenda questions; the whole number of votes given to each; and an individual listing by the districts or counties in which they were given. The names of persons not regularly nominated who received only a comparatively small number of votes may be omitted and their votes designated as scattering votes.

(g) Following each primary election, the chairperson of the board or the chairperson's designee shall prepare a statement certifying the results of the primary, which shall indicate the names of the persons who have won nomination to any state or national office. Following each other election, the chairperson of the board or the chairperson's designee shall prepare a statement certifying the results of the election and shall attach to the statement a certificate of determination which shall indicate the names of persons who have been elected to any state or national office. The chairperson of the board or the chairperson's designee shall likewise prepare a statement and certificate for any statewide referendum. The chairperson of the board or the chairperson's designee shall deliver each statement and determination to the board.

(h) Whenever a referendum question submitted to a vote of the people is approved, the board shall record it and the secretary of state shall have the record bound in the volume containing the original enrolled laws passed at the next succeeding session of the legislature and have the record published with the laws thereof. Whenever a constitutional amendment or other statewide validating or ratifying referendum question which is approved by the people does not expressly state the date of effectiveness, it shall become effective at the time the chairperson of the board or the chairperson's designee certifies that the amendment or referendum question is approved.

(i) The chairperson of the board or the chairperson's designee shall canvass only regular returns made by the county board of canvassers and shall not count or canvass any additional or supplemental returns or statements made by the county board or any other board or person. The chairperson of the board or the chairperson's designee shall not count or canvass any statement or return which has been made by the county board of canvassers at any other time than that provided in s. 7.60. This provision does not apply to any return made subsequent to a recount under s. 9.01, when the return is accepted in lieu of any prior return from the same county for the same office; or to a statement given to the chairperson of the board or chairperson's designee or a messenger sent by the chairperson or designee to obtain a correction.

(5) CERTIFICATES OF ELECTION. (a) The board shall record in its office each certified statement and determination made by the chairperson of the board or the chairperson's designee. Immediately after the expiration of the time allowed to file a petition for recount, the board shall make and transmit to each person declared elected a certificate of election under the seal of the board. It shall also prepare similar certificates, attested by the executive director of the board, addressed to the U.S. house of representatives, stating the names of those persons elected as representatives to the congress from this state. In the case of U.S. senators, the board shall prepare a certificate of election for the governor's signature, and the governor shall sign and affix the great seal of the state and transmit the certificate to the president of the U.S. senate. The certificate shall be countersigned by the secretary of state. If a person elected was elected to fill a vacancy, the certificate shall so state. When a valid petition for recount is filed, the chairperson of the board or the chairperson's designee may not certify a nomination, and the governor or board may not issue a certificate of election until the recount has been completed and the time allowed for filing an appeal has passed, or if appealed until the appeal is decided.

(b) For presidential electors, the elections board shall prepare a certificate showing the determination of the results of the canvass and the names of the persons elected, and the governor shall sign, affix the great seal of the state and transmit the certificate by registered mail to the U.S. administrator of general services. The governor shall also prepare 6 duplicate originals of such certificate and deliver them to one of the presidential electors on or before the first Monday after the 2nd Wednesday in December.

The legislature has the authority under Art. XII, s. 1 to adopt reasonable election laws to provide that state constitutional amendments are effective after canvass and certification. *State v. Gonzales*, 2002 WI 59, 253 Wis. 2d 134, 645 N.W.2d 264, 01–0224.

7.75 Presidential electors meeting. (1) The electors for president and vice president shall meet at the state capitol following the presidential election at 12:00 noon the first Monday after the 2nd Wednesday in December. If there is a vacancy in the office of an elector due to death, refusal to act, failure to attend or other

cause, the electors present shall immediately proceed to fill by ballot, by a plurality of votes, the electoral college vacancy. When all electors are present, or the vacancies filled, they shall perform their required duties under the constitution and laws of the United States.

(2) The presidential electors, when convened, shall vote by ballot for that person for president and that person for vice president who are, respectively, the candidates of the political party which nominated them under s. 8.18, the candidates whose names appeared on the nomination papers filed under s. 8.20, or the candidate or candidates who filed their names under s. 8.185 (2), except that at least one of the persons for whom the electors vote may not be an inhabitant of this state.
