AN ACT to amend 95.21 (4) (a); and to create 95.21 (4) (d) of the statutes; relating to: an exception for law enforcement dogs to the requirement that a dog that bites a person be quarantined.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 95.21 (4) (a) of the statutes is amended to read:

95.21 (4) (a) Quarantine or sacrifice of dog or cat. An officer shall order a dog or cat quarantined if the officer has reason to believe that the animal bit a person, is infected with rabies or has been in contact with a rabid animal. If a quarantine cannot be imposed because the dog or cat cannot be captured, the officer may kill the animal. The officer may kill a dog or cat only as a last resort or if the owner agrees. The officer shall attempt to kill the animal in a humane manner and in a manner which avoids damage to the animal’s head.

SECTION 2. 95.21 (4) (d) of the statutes is created to read:

95.21 (4) (d) Exception for law enforcement dogs. 1. In this paragraph, “law enforcement agency” has the meaning given in s. 165.83 (1) (b).

2. The quarantine requirement in par. (a) does not apply to a dog that is used by a law enforcement agency and that bites a person while the dog is performing law enforcement functions if the dog is immunized against rabies as evidenced by a valid certificate of rabies vaccination or other evidence. The law enforcement agency shall have the dog examined by a veterinarian on the day of the incident or the next day, on the 10th day after the incident, and on one intervening day. The law enforcement agency shall ensure that the dog is confined when not performing law enforcement functions until the 3rd examination has been performed.
