Re: AB 79; SB 17; & SB 36 "Charter Towns Bill"

Date: October 12, 2007

First, on behalf of the Urban Towns Committee and Wisconsin Towns Association I want to thank each of you for being willing to author the "Charter Towns Bill" draft this session. As you are all well aware we have had continued opposition from a number of groups, including Wisconsin Realtors and Wisconsin Builders Association. The primary objection from these two groups was the prohibition of annexation from those towns that met higher qualifications (what we have called the Tier II level "protected status.")

Our Association has had meetings with representatives of these groups and our own members for the last year on this bill and specifically how to modify the bill, to gain their support or at the least to remove their objection. While there have been many ideas and suggestions, the bottom line for the Realtors and Builders still remains the prohibition on annexation for the Tier II level towns.

During the month of August our Urban Towns Committee held listening sessions with our members and proposed the idea that we modify the "Charter Towns Bill" to remove the prohibition of annexation from the Tier II towns (who meet the higher qualifications). While a limited number of the estimated twenty towns who we believe would qualify as Tier II "protected status", the overwhelming consensus was that modifying the bill to take out the Tier II protections and gain the protections for at least those towns who meet the Tier I requirements would be the best political course of action. The Tier I protections would include the ability for Tier I charter towns to withdraw from county zoning (see page 6, line 22 to page 7, line 9 of the bill); exemption from extraterritorial zoning or plat jurisdiction of a neighboring city or village (see page 7 lines 10 to 14 of the bill); and the ability to create full Tax Incremental Finance Districts (the same as cities and villages) (see page 8 lines 22 to page 9, line 9). These additional authorities for charter towns would be very positive powers for a number of towns who would qualify as Tier I "Charter Towns."

The Urban Towns Committee Executive Board and the WTA Board of Directors have both voted to ask each of you to seek an amend to your Charter Towns Bill draft to delete the Tier II protective status. I believe that this could best be achieved by asking the drafter to delete in Section 8 of the bill which would create under a new Sec. 66.225 of Wis. Statutes, Subsection (4) "Protected Status" & (5) "Limits on Land Acquisition" on page 7, line 15 through page 8, line 20. Also deleting the following sections: Section 14 of the bill (on page 10, lines 9 through 19); Section 15 (on page 10, line 20 through page 11, line 4); Section 16 (on page 11, line 5 through 12); Section 19 (on page 12, lines 20 through 23); Section 20 (on page 12, line 24 through page 13, line 6); and Section 21 (on page 13 line 7 through line 25) These last sections of the bill (14; 15; 16; 19; 20; and 21) are the sections in Chapter 66—annexation procedures which reference the proposed annexation prohibition that would have been created under the Charter Towns bill as originally drafted.

While neither the Wisconsin Realtors nor Wisconsin Builders Association have committed to supporting the bill with deletions that I have proposed above, we do know that they will continue to oppose as currently written. If each of you are willing to seek the amendment to the original bill draft as I have suggested we would request the Realtors and Builders to re-evaluate their position on the 'Charter Towns Bill.'

Thank you to each of you for your support on this and other town issues. We recognize that you may have been criticized by some city and village officials for introducing this bill on our behalf, but town officers believe giving towns, particularly those towns over 2,500 in population who meet the conditions under the Charter Towns bill draft, more authority and protection is important. The Tier I protections will be a very positive step for many towns in Wisconsin. If any of you or your staffs have questions about this issue please feel free to talk to me or our lobbyists Jolene Plautz and Ann Jablonski.

D-NOTE

1 AN ACT *to amend* 27.08 (2) (b), 27.08 (2) (c), 28.20, 59.69 (3) (a), 59.69 (3) (b), 59.69

 3 (1), 62.22 (1e), 62.23 (7a) (a), 66.0105, 66.0217 (3) (intro.), 66.0219 (intro.),
 4 66.0223 (1), 70.99 (8) and 236.02 (5); and *to create* 60.10 (1) (h), 60.225 and
 5 60.23 (33) of the statutes; **relating to:** the powers of certain towns, authorizing
 6 the creation of charter towns by certain town boards, and expanding the
 7 authority of charter towns to create tax incremental financing districts.

Analysis by the Legislative Reference Bureau

Under current law, if a town meeting authorizes a town board to do so, the town board may exercise powers relating to villages and conferred on village boards by statute, except those powers that conflict with statutes relating to towns and town boards. For example, a town board exercising village powers may not create a tax incremental financing (TIF) district other than for very limited purposes related to agricultural, forestry, tourism or manufacturing projects; annex territory; exercise extraterritorial zoning jurisdiction over another town; or, in counties that have adopted a county zoning ordinance, enact a town zoning ordinance unless it is approved by the county board. If a town board exercises village powers, the town is still subject to annexation by a city or village and may be subject to extraterritorial zoning powers exercised by a city or village. Current law also authorizes towns that

SENATE BILL 17

Substitute amendment

revoke its approval of certain county zoning ordinances and

enter into a cooperative boundary agreement with a city or village that will annex all or part of the town to create a TIF district

substitute amendment

This bill authorizes a town board that is authorized to exercise village powers to adopt a resolution, which is subject to ratification in a referendum that the town board must call, declaring that it is a "charter town." The bill allows the town board of a charter town to create a TIF district to the same extent as a city or village; it allows a charter town board to exercise certain zoning powers and exempts the town from being subject to certain city and village extraterritorial powers. This bill does not allow charter towns to annex territory or to engage in extraterritorial zoning or plat approval.

zoning The substitute amendment

The powers granted to towns in this bill apply only if certain conditions are met on the date on which the board adopts the resolution. Some of the conditions that must be satisfied include the following:

move r noff

1. The population of the town must be at least 2,500.
2. The town board creates a town plan commission and adopts a comprehensive land use plan.
3. The town board enacts and enforces building code ordinances.
4. The town board enacts a construction site erosion control and storm water management zoning ordinance.

In addition, certain charter towns are exempt from being subject to city and village annexation powers and land acquisition powers if certain conditions are met, and counties must recognize a charter town's official map in the same way that it recognizes city and village official maps. Some of the conditions that must be met include the following:

Under the substitute amendment

1. At least 10 percent of the town residents receive water supply or sewage disposal services, or both, from one of several entities, such as a town sanitary district, a town utility district, a metropolitan sewerage district, or another city, village, or town.
2. The equalized value of the town must exceed \$100,000,000.
3. The town must provide law enforcement services 24 hours a day.

For further information see the **state and local** fiscal estimate, which will be printed as an appendix to this bill.

2 defeated in a ratification vote by the referendum under sub. (2).

4 ratified under sub. (2), a town board may adopt a resolution revoking its approval of
5 any county zoning ordinance, other than a wetlands in shorelands zoning ordinance,
6 if the town board notifies the county board in writing at least 60 days before the
7 resolution revoking approval of a county zoning ordinance takes effect. On the
8 effective date of the resolution revoking town approval of a county zoning ordinance,
9 the town board may act under s. 60.61 (2) or 60.62 (1).

10 (b) No town may be subject to the extraterritorial zoning jurisdiction or
11 extraterritorial plat approval jurisdiction of a city or village during the period
12 beginning after a town board adopts a resolution under sub. (1) and before a
13 ratification vote under sub. (2) or at any time after the electors of the town approve
14 the resolution under sub. (2).

15 ~~(4) PROTECTED STATUS.~~ If all of the following apply, no town territory may be
16 acquired by a city or village by any of the methods described under sub. (5) during
17 the period beginning after a town board adopts a resolution under sub. (1) and before
18 a ratification vote under sub. (2) or at any time after the electors of the town approve
19 such a resolution under sub. (2), unless the town board approves the proposed
20 acquisition:

21 (a) The equalized value of the town exceeds \$100,000,000, according to the most
22 recent assessment.

11 the following city or village methods of acquiring territory in a town are limited as
12 provided under sub. (4):

13 (a) Annexation under s. 66.0217, 66.0219, or 66.0223.

25 duties as a common council under s. 66.1105 and the town is subject to the same

SENATE BILL 17

1 duties and liabilities as a city under s. 66.1105. If a charter town that has created
2 a tax incremental district as provided in this paragraph revokes its charter town
3 status, the town, and the department of revenue, shall continue to administer the
4 district, until the district terminates, as if the town had not revoked its charter town
5 status.

6 (b) If a town creates a tax incremental district under s. 60.85, the town may not
7 take any action with regard to that district except by acting under s. 60.85.

Senator Representative Kerkman

In addition to the changes outlined in the memo prepared by the WI Towns Association, this substitute amendment deletes some additional language from the bill, such as the treatment of ss. 27.08 (2) (b) and (c) and 28.20, because those statutes contained cross-references to s. 60.225 (4) and (5), which were the main portions of the bill you wished to have deleted. The substitute amendment also changes the October 1, 2007, effective date for the changes to town TIF authority to October 1, 2008.
