

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRB-2026/1dn  
PG:wlj:pg

March 5, 2007

Representative Pope-Roberts:

Bob Soldner from DPI called me with instructions for this draft. Bob indicated that he is not aware of any choice school to which FERPA, the federal law on confidentiality of pupil records, applies.

Please note that the first SECTION of this draft, regarding the transfer of pupil records upon request, applies to the records of all pupils attending a choice school, while the third SECTION of the draft, regarding maintenance of records and transferring records to MPS if the school closes, applies only to the records of pupils attending the choice school under the MPCP. OK?
