

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-3935/1dn
DAK:lmk:nwn

February 27, 2008

To Representative Van Roy:

Mara Brooks of the Wisconsin Dental Association has indicated to me that, for the redraft of this bill, a sunset is wanted of 24 months from the date on which a waiver is granted by the federal department of health and human services. This date would very likely be after July 1 of the even-numbered year of the legislature's next biennial session (July 1, 2010), so I have placed the text for the program in the statutes, under s. 49.45 (24i), rather than as nonstatutory provisions. I have also made other changes to the language that are consistent with its treatment as a statute, rather than a nonstatutory provision (such as deleting the definition of "Medical Assistance," which, under s. 49.43 (8), stats., is defined for the subchapter as a whole).

Please let me know if I may provide you with further assistance concerning this bill.
