Keith,

I will take care of this request for you. The amendment did cover lobbying in connection with rule-making activities by state agencies as well as lobbying of the governor to approve or disapprove legislation. The reason is that this is the current scope of the lobbying regulation law and the amendment plugs into that law.

Jeff-

I am requesting a draft of an amendment that we had proposed for SB 23 be turned into a bill.

This is the amendment: <http://www.legis.state.wi.us/2007/data/SB23-SA1.pdf>

The bill would prohibit the Chair of any State Political Party from be employed by a principal to lobby the legislature or the executive branch (I don't know if that was included in the amendment or SB 23) for the duration of their term as Chairman of the any party.

Let me know if you have questions in regards to this request and what the timeline would be for a draft to start reviewing.

Thanks - appreciate you taking the time to review this request.
