22 violation.

23 (c) Upon a showing by the state that unrestricted participation in the
24 prosecution of an action under sub. (5) or an alternate proceeding to which the state
25 is a party by the person bringing the action would interfere with or unduly delay the

1 prosecution of the action or proceeding, or would result in consideration of
2 repetitious or irrelevant evidence or evidence presented for purposes of harassment,
3 the court may limit the person's participation in the prosecution, such as:

- 4 1. Limiting the number of witnesses that the person may call.
- 5 2. Limiting the length of the testimony of the witnesses.
- 6 3. Limiting the cross-examination of witnesses by the person.
- 7 4. Otherwise limiting the participation by the person in the prosecution of the
8 action or proceeding.

9 (d) Upon showing by a defendant that unrestricted participation in the
10 prosecution of an action under sub. (5) or alternate proceeding under sub. (10) to
11 which the state is a party by the person bringing the action would result in
12 harassment or would cause the defendant undue burden or unnecessary expense, the
13 court may limit the person's participation in the prosecution.

14 (8) Except as provided in sub. (7), if the state elects not to participate in an
15 action filed under sub. (5), the person bringing the action may prosecute the action.
16 If the attorney general so requests, the attorney general shall, at the state's expense,
17 be served with copies of all pleadings and deposition transcripts in the action. If the
18 person bringing the action initiates prosecution of the action, the court, without
19 limiting the status and rights of that person, may permit the state to intervene at a
20 later date upon showing by the state of good cause for the proposed intervention.

21 (9) Whether or not the state participates in an action under sub. (5), upon
22 showing in camera by the attorney general that discovery by the person bringing the
23 action would interfere with the state's ongoing investigation or prosecution of a
24 criminal or civil matter arising out of the same facts as the facts upon which the
25 action is based, the court may stay such discovery in whole or in part for a period of

1 not more than 60 days. The court may extend the period of any such stay upon
2 further showing in camera by the attorney general that the state has pursued the
3 criminal or civil investigation of the matter with reasonable diligence and the
4 proposed discovery in the action brought under sub. (5) will interfere with the
5 ongoing criminal or civil investigation or prosecution.

6 **(10)** The attorney general may pursue a claim relating to an alleged violation
7 of sub. (2) through an alternate remedy available to the state or any state agency,
8 including an administrative proceeding to assess a civil forfeiture. If the attorney
9 general elects any such alternate remedy, the attorney general shall serve timely
10 notice of his or her election upon the person bringing the action under sub. (5), and
11 that person has the same rights in the alternate venue as the person would have had
12 if the action had continued under sub. (5). Any finding of fact or conclusion of law
13 made by a court or by a state agency in the alternate venue that has become final is
14 conclusive upon all parties named in an action under sub. (5). For purposes of this
15 subsection, a finding or conclusion is final if it has been finally determined on appeal,
16 if all time for filing an appeal or petition for review with respect to the finding or
17 conclusion has expired, or if the finding or conclusion is not subject to judicial review.

18 **(11) (a)** Except as provided in pars. (b) and (e), if the state proceeds with an
19 action brought by a person under sub. (5) or the state pursues an alternate remedy
20 relating to the same acts under sub. (10), the person who brings the action shall
21 receive at least 15 percent but not more than 25 percent of the proceeds of the action
22 or settlement of the claim, depending upon the extent to which the person
23 contributed to the prosecution of the action or claim.

24 **(b)** Except as provided in par. (e), if an action or claim is one in which the court
25 or other adjudicator finds to be based primarily upon disclosures of specific

1 information not provided by the person who brings an action under sub. (5) relating
2 to allegations or transactions specifically in a criminal, civil, or administrative
3 hearing, or in a legislative or administrative report, hearing, audit, or investigation,
4 or report made by the news media, the court or other adjudicator may award such
5 amount as it considers appropriate, but not more than 10 percent of the proceeds of
6 the action or settlement of the claim, depending upon the significance of the
7 information and the role of the person bringing the action in advancing the
8 prosecution of the action or claim.

9 (c) Except as provided in par. (e), in addition to any amount received under par.
10 (a) or (b), a person bringing an action under sub. (5) shall be awarded his or her
11 reasonable expenses necessarily incurred in bringing the action together with the
12 person's costs and reasonable actual attorney fees. The court or other adjudicator
13 shall assess any award under this paragraph against the defendant.

14 (d) Except as provided in par. (e), if the state does not proceed with an action
15 or an alternate proceeding under sub. (10), the person bringing the action shall
16 receive an amount that the court decides is reasonable for collection of the civil
17 penalty and damages. The amount shall be not less than 25 percent and not more
18 than 30 percent of the proceeds of the action and shall be paid from the proceeds. In
19 addition, the person shall be paid his or her expenses, costs, and fees under par. (c).

20 (e) Whether or not the state proceeds with the action or an alternate proceeding
21 under sub. (10), if the court or other adjudicator finds that an action under sub. (5)
22 was brought by a person who planned or initiated the violation upon which the action
23 or proceeding is based, then the court may, to the extent that the court considers
24 appropriate, reduce the share of the proceeds of the action that the person would
25 otherwise receive under par. (a), (b), or (d), taking into account the role of that person

1 in advancing the prosecution of the action or claim and any other relevant
2 circumstance pertaining to the violation, except that if the person bringing the action
3 is convicted of criminal conduct arising from his or her role in a violation of sub. (2),
4 the court or other adjudicator shall dismiss the person as a party and the person shall
5 not receive any share of the proceeds of the action or claim or any expenses, costs, and
6 fees under par. (c).

7 (12) (a) No court has jurisdiction over an action brought by a private person
8 under sub. (5) against a state public official if the action is based upon information
9 known to the attorney general at the time that the action is brought.

10 (b) No person may bring an action under sub. (5) that is based upon allegations
11 or transactions that are the subject of a civil action or an administrative proceeding
12 to assess a civil forfeiture in which the state is a party if that action or proceeding
13 was commenced prior to the date that the action is filed.

14 (13) The state is not liable for any expenses incurred by a private person in
15 bringing an action under sub. (5).

16 (14) Any employee who is discharged, demoted, suspended, threatened,
17 harassed, or in any other manner discriminated against by his or her employer
18 because of lawful actions taken by the employee, on behalf of the employee, or by
19 others in furtherance of an action or claim filed under this section, including
20 investigation for, initiation of, testimony for, or assistance in an action or claim filed
21 or to be filed under sub. (5) is entitled to all necessary relief to make the employee
22 whole. Such relief shall in each case include reinstatement with the same seniority
23 status that the employee would have had but for the discrimination, 2 times the
24 amount of back pay, interest on the back pay at the legal rate, and compensation for
25 any special damages sustained as a result of the discrimination, including costs and

1 reasonable actual attorney fees. An employee may bring an action to obtain the relief
2 to which the employee is entitled under this subsection.

3 (15) A civil action may be brought based upon acts occurring prior to the
4 effective date of this subsection ... [revisor inserts date], if the action is brought
5 within the period specified in s. 893.981.

6 (16) A judgment of guilty entered against a defendant in a criminal action in
7 which the defendant is charged with fraud or making false statements estops the
8 defendant from denying the essential elements of the offense in any action under sub.
9 (5) that involves the same elements as in the criminal action.

10 (17) The remedies provided for under this section are in addition to any other
11 remedies provided for under any other law or available under the common law.

12 (18) This section shall be liberally construed and applied to promote the public
13 interest and to effect the congressional intent in enacting 31 USC 3279 to 3733, as
14 reflected in the act and the legislative history of the act.
