Precollege Scholarship Program

Please change the name of the Minority group pupil scholarship appropriation and program to "Precollege scholarships". This will affect the appropriation title and language under s. 20.255 (3)(fz) and the language under s. 115.43, as well as any other section of the statutes that refers to the program.

The program is to focus on providing assistance to all pupils, regardless of race, who are eligible for free and reduced-price lunch. Please modify the language under s. 115.43 to reflect that preference is given to pupils who meet this new definition of eligibility based on economic status rather than race.

Please see DPI's request summary (attached) for reference.

If you have any questions, please call me at 6-5468, or send me an email at erin.fath@wisconsin.gov

Thank you.

**DEPARTMENT OF PUBLIC INSTRUCTION
2007-09 BIENNIAL BUDGET
DRAFTING REQUEST TO THE LEGISLATIVE REFERENCE BUREAU**

Draft for Possible 2007-09 Budget Bill Introduction (*Agency Decision Item No. 6005*)

Subject: Precollege Scholarship Program

Request Date: September 15, 2006

Agency Contact: Kevin Ingram (414/227-4413)

Brief Description of Intent:

The Precollege Scholarship Program (PSP) was initiated in 1985 as the Minority Group Pupil Scholarship Program (MGPSP). As the MGPSP, it awarded precollege scholarships to minority group applicants regardless of their economic circumstances. A major milestone in the history of the program occurred when the term "minority" was dropped from its name as a result of an agreement the department reached with the Office of Civil Rights of the U.S. Department of Education in November 2004. As a result, PSP is now used to help students, regardless of race, who are eligible for free and reduced-price lunch. This has resulted in the program being re-named the Precollege Scholarship Program. Under both names (PSP and MGPSP), the program has been administered by the department's Wisconsin Educational Opportunities Program (WEOP). Appropriate changes need to be made in the statutes to reflect this name change. Therefore, the department requests statutory language to amend:

- Section 20.255 (3) (fz), Wis. Stats., which is part of the Chapter 20 appropriations schedule, to read "Precollege scholarships." (The current title is "Minority group pupil scholarships.")
- Section 115.43, Wis. Stats., to properly reflect the program's new focus.
- Any other section of the statutes that needs to be changed to carry out the intent of the agreement the department reached with the Office of Civil Rights of the U.S. Department of Education in November 2004.
