CHILDREN AND FAMILIES

Wisconsin Council on Developmental Disabilities

[LFB Paper #200]

Motion:

Move to transfer, effective with the creation of the new department, the Wisconsin Council on Developmental Disabilities to the Department of Children and Families. Provide \$1,283,200 (\$1,268,200 FED and \$15,000 GPR) and 7.75 FED positions, beginning in 2008-09, to the Department of Children and Families (DCF) and reduce funding by \$1,286,800 (-\$15,000 GPR and -\$1,271,800 FED) annually and delete 7.75 FED positions, beginning in 2008-09.

Note:

The Wisconsin Council on Developmental Disabilities (WCDD) is a federally-funded advocacy and planning council for individuals with developmental disabilities. Members of the Council are appointed by the Governor to serve four-year terms. At least 60% of the members are persons with developmental disabilities, their parents or guardians, or immediate relatives or guardians of persons with developmental disabilities. The Council develops and monitors implementation of the state plan on the provision of services for individuals with developmental disabilities and reviews and advises DHFS on local budgets and plans relating to these services. The Council was established in response to a federal requirement that states establish such a council as a condition of receiving federal funds for advocacy services.

In SB 40, the Governor had recommended that the Council be transferred to the Department of Administration. This proposal was discussed in LFB Issue Paper #111.
