Great! Here's the language from the motion:

Grant to Racine Young Women's Christian Association (YWCA). Provide \$25,000 GPR in 2007-08 to the Department of Workforce Development to fund a one-time grant to the Racine YWCA for start-up costs for a job skills training program.

I didn't see an existing appropriation that this would fit in.

Let me know if you have any questions. Thanks!!

I don't see why I couldn't draft an amendment ahead of time. If the motion doesn't pass then you just would not include the amendment number in the "in list." Let me know if you want me to draft an amendment and any more details.

Hi Pam:

Question for you. Here's the set-up. We have to have our chapter 20 done by noon on Saturday. I have a piece in a motion that I'm told will almost certainly pass on Friday. It will require creating an appropriation in DWD to provide one-time GPR funding in 2007-08 and non-statutory language for DWD to pass the money along to Racine YWCA as a grant. Would LRB be willing to draft something ahead of time with the new appropriation, or is that forbidden? Do I have to wait until late Friday for the motion to pass? Let me know what you think☺

Kim:

Let me know if you want this appropriation under a different subsection. Also, do you want any sort of reporting requirements for the YWCA, such as an accounting of how the proceeds were spent?

SB 40

It is possible that a Wisconsin court would find that this legislation is a "private or local bill" that, under art. IV, sec. 18, of the Wisconsin Constitution, must be enacted as single-subject legislation. If so, this legislation cannot validly be enacted as part of ~~SB 690~~, which clearly encompasses more than one subject.

Under ^(I) Milwaukee Brewers Baseball Club v. Wisconsin Dept. of Health and Social Services, 130 Wis. 2d 79, 115 (1986), "a legislative provision which is specific to any person, place or thing is a private or local law within the meaning of art. 4, sec. 18, unless: 1) the general subject matter of the provision relates to a state responsibility of statewide dimension; and 2) its enactment will have direct and immediate effect on a specific statewide concern or interest".

Because it is difficult to predict the potential for and outcome of any court action on this legislation, you may wish to consider introducing this proposal as a separate bill.
