Adopt Alternative #C2b, which would delete the provision in the bill that would enumerate the Zoo Interchange project in the statutes to allow the construction of additional lanes on that project. Paper 785

14. *State Highway Rehabilitation.* Provide \$39,582,400 SEG and \$491,100 FED in 2007-08 and \$40,850,900 SEG and \$504,100 FED in 2008-09 for the state highway rehabilitation program, to provide total increases of 9.6% in 2007-08 and 4.0% in 2008-09 for the program. Paper 787

Increase estimated transportation fund revenues by \$600,900 in 2008-09 to reflect a reduction in debt service payments in that year. Reduce the bonding authorization under the bill by \$39,679,500 to reflect a reduction in the use of bonds under this alternative. Adopt Alternative #B1 from LFB Issue Paper #788, which would establish a requirement that the Department of Transportation submit a 10-year bonding policy plan with its biennial agency budget request.
