I figured you didn't want to eliminate the fee altogether.

So to clarify: the rate increase is deleted, but the other related provisions contained in the budget remain.

Actually no. We want to do Fiscal Bureau Paper 345, Alternative 5. Which is to delete the *increase* in the fee. We don't want to eliminate the fee altogether.

I am sorry I left out the word increase - we want to do Alternative 5 on Paper 345 - in other words, retain current law.

Yes it is.

Heather,

Am I correct to assume that this deletes the deposit of revenues into the county aid fund (and the expenditures of moneys from the fund) as well as all the other changes to the real estate transfer fee?
