Subject: Drafting Instructions - Well Woman Program and Colposcopy Services

Debora: This should be the last set for me, at least tonight.

As you'll recall, JFC put in some money for the well woman program and for colposcopy services.

The Assembly Republicans want to keep those items in, but make the following changes. For purposes of these instructions, I am referring to LRB 0281/3, which incorporated the JFC's decisions with respect to these items into the JFC budget bill:

1. Delete the language that creates appropriation 20.435(4)(xf). Also delete the Chapter 20 schedule amounts from that appropriation. (we are getting rid of the SEG appropriation and funding for these items).
2. We will need a GPR appropriation, rather than a SEG appropriation from the HCQF, for the grant for colposcopies and other services. Therefore, amend s. 146.68 to reference the new GPR appropriation you are going to create, and delete reference to 20.435(4)(xf). Add to the Chapter 20 schedule a new GPR appropriation for those colposcopies and other services in the amounts of \$37,500 GPR in 2007-08 and \$37,500 GPR in 2008-09. You can keep the rest of the language in s. 146.68.
4. Delete Section 3066m and Section 3066r from LRB-0281/3.
5. Increase the existing well woman GPR appropriation (20.435(5)(cb) by \$37,500 GPR in 2007-08 and \$37,500 in 2008-09.

The basic idea is we are getting rid of the SEG appropriations for these items. For the well woman program we will add \$37,500 a year to the existing GPR appropriation, and for the colposcopies we will have to create a new GPR appropriation in the amount of \$37,500 a year.

Thanks Debora

Subject: ARC Draft 873/1

Hi, Robin –

Could you please make a change in draft 873/1 to adjust the dollar amounts that appear in section 2870m of the bill to reflect the revised funding level for the program? I believe that DHFS should be required, under 146.68, to provide \$37,500 annually to an entity.... Etc.

Thanks!
