a. all-terrain vehicle routes and trails within their respective jurisdictions that may be used by operators of lightweight utility vehicles.

b. all-terrain vehicle routes and trails within their respective jurisdictions upon which lightweight utility vehicle use is prohibited.

In addition, specify that the operation of a lightweight utility vehicle as authorized under the pilot program is subject to the same uniform traffic citations as all-terrain vehicles are subject to under current law. Further, specify that the operator of a lightweight utility vehicle must possess a valid motor vehicle operator's license and that any trial fees imposed on all-terrain vehicle use by a county or municipalities also apply to the operation of a lightweight utility vehicle.

Require DNR, in consultation with the counties and municipalities, to evaluate the effect of using lightweight utility vehicles on roadways and on all-terrain vehicle routes and trails upon conclusion of the pilot program. Direct the Department to submit a report describing the results of this evaluation to the appropriate standing committees of the legislature by January 1, 2010.

Forestry and Parks

1. OUTDOOR RECREATIONAL ACTIVITIES LAND ACQUISITION GRANT PROGRAM *MB*

Chg. to JFC	
SEG	-\$1,000,000
SEG-REV	-\$3,700,000

Delete the Joint Finance provision. Rather, effective July 1, 2008, allow the municipality to retain closed acreage payments under the Managed Forest Land (MFL) program, but to remit 20% of the revenue from these payments to the county treasurer. An estimated \$3.7 million would be retained by local governments in 2008-09. Under current law, the revenue from these payments is deposited in the forestry account of the conservation fund.

The bill would provide \$1,000,000 in 2008-09 for an outdoor recreational activities land acquisition grant program.

2. PARKS AND SOUTHERN FOREST OPERATIONS

Change to JFC Funding Positions		
SEG	-\$484,500	3.00

Delete provision. The bill would provide \$135,300 in 2007-08 and \$349,200 with 3.0 positions in 2008-09 for permanent staff, limited term employees, utilities, and supplies to operate new buildings and campgrounds in the Wisconsin state park and forest systems.
