Subject: budget amendment request

Hi Joe,

I called about this, too. Could we get a budget amendment (amendment to ASA 1 to SB 40) that is similar to section 41 of LRB 2456/1 (AB 378)? The change in language from what is in AB 378 would be to sunset the tax exemption on the ethanol in E85 and biomass in B20 in 4 years, and have the exemption take effect July 1, 2008.

Please let me know if you have any questions. Thanks!

-Tony
