***b0353/1.1* "SECTION 9nx.** 13.48 (38) of the statutes is created to read:

13.48 (38) CIVIL WAR EXHIBIT AT THE KENOSHA PUBLIC MUSEUMS. (a) The legislature finds and determines that the Civil War was an event of unequalled

importance in the historical development of the United States; that Wisconsin citizens fought bravely and valiantly in assisting the Union to achieve victory in the Civil War; and that the study of the Civil War will deepen our understanding and appreciation of the history of the United States and of Wisconsin. It is therefore in the public interest, and it is the public policy of this state, to assist the Kenosha Public Museums in the construction of facilities that will be used for a Civil War exhibit.

(b) The building commission may authorize up to \$500,000 in general fund supported borrowing to aid in the construction of a Civil War exhibit as part of the Kenosha Public Museums in the city of Kenosha. The state funding commitment shall be in the form of a grant to the Kenosha Public Museums. Before approving any such state funding commitment and before awarding the construction grant, the building commission shall determine that the Kenosha Public Museums has secured additional funding at least equal to \$2,000,000 from nonstate donations for the purpose of constructing a Civil War exhibit.

(c) If the building commission authorizes a grant to the Kenosha Public Museums under par. 13.48 (36p) BOND HEALTH CENTER. (a) The legislature finds and determines that improving the health of the citizens of this state and increasing access to health care in this state is a statewide responsibility of statewide dimension. In addition,

the legislature finds and determines that the Bond Health Center in the city of Oconto plays a vital role in improving the health of the citizens of this state and is a quality health care facility. The legislature, therefore, finds and determines that assisting the Bond Health Center in the city of Oconto in expanding a health care facility will have a direct and immediate effect on this state responsibility of statewide dimension.

(b) The building commission may authorize up to \$1,000,000 in general fund supported borrowing to make a grant to the Bond Health Center in the city of Oconto for construction costs related to hospital expansion. Before approving any state funding commitment for construction costs relating to the hospital expansion and before awarding the grant, the building commission shall determine that the Bond Health Center has secured all necessary additional funding commitments from nonstate revenue sources for the expansion.

(c) If, for any reason, the facility that is expanded with funds from the grant under par. (b) is not used as a hospital, the state shall retain an ownership interest in the facility equal to the amount of the state's grant.”.

(a) The legislature finds and determines that a significant number of Hmong people are citizens of this state, that the Hmong people have a proud heritage that needs to be recognized and preserved, and that the Hmong people have experienced difficulties assimilating in this state. The

legislature finds that supporting the Hmong people in their efforts to recognize their heritage and to realize the full advantages of citizenship in this state is a statewide responsibility of statewide dimension. Because it will better ensure that the heritage of the Hmong people is preserved and will better enable the Hmong people to realize the full advantages of citizenship in this state, the legislature finds that it will have a direct and immediate effect on a matter of statewide concern for the state to facilitate the purchase or construction and operation of Hmong cultural centers.

(b) 1. The building commission may authorize up to \$2,000,000 in general fund supported borrowing to make a grant to an organization designated by the secretary of administration that represents the cultural interests of Hmong people for purchase or construction of a Hmong cultural center in Dane County. The assessments shall be deposited into the hospital assessment fund.

(2) At the discretion of the department, a hospital that is unable timely to make a payment by a date specified under sub. (1) may be allowed to make a delayed payment. A determination by the department that a hospital may not make a delayed payment under this subsection is final and is not subject to review under ch. 227.

(3) The amount of each hospital’s assessment shall be based on the claims information that shall be provided to the department under s. 153.46 (5) or shall be based on any other source that is approved in the state plan for services under 42 USC 1396.

(5) The department shall levy, enforce, and collect the assessments under this section and shall develop and distribute forms necessary for these purposes.

(6) If the department determines that any portion of the revenue needed to provide Medical Assistance payment increases for inpatient and outpatient hospital services as fee for service or through health maintenance organizations is not eligible for federal financial participation, the department will refund that amount of revenue to hospitals in proportion to each hospital's payment of the assessment.
