Subject: FW: LRB-0291/2: Factory-built housing language modernization bill.
Attachments: 07-02912.pdf

Hi Robin,

Senator Lassa will be introducing a companion draft to this LRB in the Senate. From the email below, I understand that you drafted the Assembly bill. Could you please draft an identical Senate companion? Please let me know if you have any questions.

Thank You,

Monica Groves Batiza

Subject: LRB-0291/2: Factory-built housing language modernization bill.

Matt:

The bill looks good. The League, the Alliance, the Builders, the DOT and Commerce are thumbs up, so we can certainly move forward with the co-sponsor memo.

Below, I will past my brief for the bill in case you wanted to use it (or parts thereof).

I have been working with Monica Groves in Senator Lassa's office as she will introduce the Senate companion. -Monica, Matt, do you have a preference for how to handle co-sponsorships? Both points of contact and reconcile the list later, or one point of contact for co-sponsorships? Monica, Matt, do you have a preference for how long to leave the co-sponsorship window open? May be 2 weeks into session, i.e. close at noon on January 12? That gives to for me to work co-sponsors, time to get settled after the holidays and for me to meet with the 21 new legislators we will have. Your thoughts?

Thanks for all of your hard work! And Matt, please tell LRB/Robin Kite thanks, she did a phenomenal job drafting

12/20/2006

a very hefty bill!
Also, have a great holiday season!
Luke

Luke,

I looked it over, and Robin made the changes you requested, so I've asked LRB to jacket it. I should be able to put out the cosponsorship memo tomorrow.

Mat
