Analysis by the Legislative Reference Bureau***Human health hazard abatement or removal***

Under current law, if a local health officer finds a human health hazard on private premises, he or she must notify the owner or occupant by registered mail and order the abatement or removal within 30 days; if the owner or occupant fails to comply, the local health officer may enter the premises and abate or remove the hazard or contract to have the work performed. A human health hazard is defined as a substance, activity, or condition that is known to have the potential to cause acute or chronic illness or death if exposure to the substance, activity, or condition is not abated. The cost of abatement or removal by the local health officer may be recovered from the person who has permitted the hazard to exist or may be levied as a special tax on the land, and anyone maintaining a human health hazard may be fined not more than \$300 or imprisoned for not more than 90 days or both. Similarly, in cities under general charter, a local health officer may enter into and examine any place at any time to ascertain health conditions; anyone refusing entrance at reasonable hours must be fined. For abatement or removal of a human health hazard, the local health officer must serve at least a 24-hour notice to the owner or occupant. A first class city may follow these provisions or the provisions of its charter.

This bill revises and consolidates provisions relating to abatement and removal of human health hazards. The bill changes the definition of a human health hazard to be a substance, activity, or condition that is known to have the potential to cause

BILL

city, village, or town with a local health department

acute or chronic illness, to endanger life, to generate or spread infectious diseases, or otherwise injuriously to affect the health of the public. The bill authorizes a local health officer who is refused entry by the owner or occupant of a property or premises for which the local health officer has received a complaint or has probable cause to believe a human health hazard exists to seek a special inspection warrant or, if a suspected human health hazard poses an immediate threat, to enter the property or premises without consent or a special inspection warrant. For a human health hazard that is found, the local health officer must notify the owner or occupant and order abatement or removal within a reasonable time period, not to exceed 30 days. If the owner or occupant fails to comply with the order within the time period and if the nature of this human health hazard does not pose an immediate threat, the local health officer shall abate or remove the hazard or contract to have that done or shall report the failure to comply to the attorney for the applicable city, town, village, or county, who may initiate court action to abate. For a human health hazard that is found and that poses an immediate threat to the health of an individual or the public, however, the local health officer must make a good-faith effort to notify the owner or occupant, confirm the notice by personal service or by mail to the owner's or occupant's last-known address, and must summarily abate or remove the hazard. ~~A county with a county health department, multiple counties with a multiple county health department, or a city and a county with a city-county health department may each enact an ordinance concerning abatement or removal of a human health hazard that is at least as restrictive as the statutory provisions and that may be enforced in the area of jurisdiction of the relevant health department.~~

The bill eliminates provisions concerning authority of a local health officer to abate or remove a human health hazard in a city with a general charter. Lastly, the bill changes a penalty for maintenance of a human health hazard that requires abatement or removal to a fine of not more than \$1,000 or imprisonment for not more than 90 days or both.

Requirements for certain local health officers

Current law specifies numerous qualification requirements for local health officers of Levels I, II, and III local health departments. However, current law also specifies that, in a county with a county human services department, the local health officer need not meet the qualification requirements if that county human services department employs at least one individual who meets those requirements.

This bill eliminates the exception to qualification requirements for a local health officer if the applicable county has a county department of human services that employs an individual who meets the requirements. The change first applies to local health officers hired on the effective date of the bill as an act.

Personnel of a local health department

Under current law, a local health officer must appoint all necessary subordinate personnel. This bill clarifies that "subordinate personnel" that local health officers must appoint may include public health educators, nutritionists, and dental hygienists who meet specified qualification requirements.

county, city, village, or town that enacted it

BILL***State agency status for certain physicians***

Under current law, for a person with status as a state agent of the Department of Health and Family Services (DHFS), the attorney general may, if requested by the secretary of health and family services, appear and defend the person in any civil action or other matter brought before a court as the result of an act committed in the lawful course of the agent's duties. In addition, a civil action or civil proceeding against a state agent for medical malpractice allegedly committed in the course of the discharge of the agent's duties may not be brought unless the claimant serves on the attorney general written notice within 180 days after discovery of the injury or the date on which, in the exercise of reasonable diligence, the injury should have been discovered. Lastly, total judgments may not exceed \$250,000 and may not include punitive damages; judgments in excess of any insurance coverage applicable to the state agent defendant must be paid by the state; and a governmental unit need not provide or pay for legal representation if applicable insurance coverage provides the representation.

This bill accords physicians, who are not employees of a local health department but who provide services, without compensation, for those programs and services provided by a local health department that require medical oversight, status as state agents of DHFS for the provision of the services that the physicians provide for the local health department.

Community health improvement plans

Currently, local health departments must, among other things, involve policymakers and the public in determining a set of priority public health services and assure access to these services to every member of the community.

This bill modifies this requirement to require the local health department to involve policymakers and the public in development of a community health improvement plan that includes actions to implement certain services and functions.

Other

The bill creates a new chapter of the statutes and renumbers numerous public health provisions relating to emergency medical services into this chapter. The bill renumbers provisions concerning minority health and cooperative American Indian health services into the statutory chapter relating to administration and supervision of health; and renumbers provisions concerning the statewide poison control system and the reporting of wounds and burn injuries into the statutory chapter relating to chronic disease and injuries.

Because this bill creates a new crime or revises a penalty for an existing crime, the Joint Review Committee on Criminal Penalties may be requested to prepare a report concerning the proposed penalty and the costs or savings that are likely to result if the bill is enacted.

BILL

BILL

1 **SECTION 193.** 254.59 (1) of the statutes is repealed and recreated to read:

2 254.59 (1) LOCAL HEALTH OFFICER OR DESIGNEE; AUTHORITY. Upon receiving a
3 complaint or if there is probable cause to believe that a human health hazard exists
4 within the jurisdiction of a local health department, the local health officer of that
5 jurisdiction or his or her designee may, under the requirements of this subsection,
6 immediately investigate the suspected human health hazard. If the owner or the
7 occupant of a property or premises consents, the local health officer or his or her
8 designee may enter the property or premises at any reasonable time to inspect,
9 investigate, evaluate, conduct tests, or take specimens or samples as may be
10 reasonably necessary to determine the existence of a human health hazard. If the
11 owner or the occupant of a property or premises refuses entry, the local health officer
12 or his or her designee may seek a special inspection warrant under s. 66.0119 to
13 authorize inspection, investigation, evaluation, conduct of tests, or taking of
14 specimens or samples for testing, except that, if in the judgment of the local health
15 officer or designee a suspected human health hazard poses an immediate threat to
16 the health of an individual or the public, the local health officer or designee may enter
17 an affected property or premises without consent or a special inspection warrant to
18 perform these activities.

19 **SECTION 194.** 254.59 (2) of the statutes is amended to read:

20 254.59 (2) ABATEMENT OR REMOVAL PROCEDURE. ~~If~~ Except as provided in sub. (3)

22 health officer or his or her designee shall notify the owner and ~~the~~ any occupant of
23 the property or premises, by ~~registered mail with return receipt requested~~ personal
24 service or by mail to the last known address of the owner and any occupant, of the
25 presence of the human health hazard and order its abatement or removal within a

BILL**SECTION 194**

1 reasonable time period, not to exceed 30 days of receipt of, as specified in the notice.
2 ~~If the human health hazard is not abated or removed by that date, the local health~~
3 ~~officer shall~~ owner or occupant fails to comply with the order within the specified
4 time, the local health officer or designee shall immediately enter upon the property
5 or premises and abate or remove the human health hazard or may contract to have
6 the work performed, or shall report the failure to abate or remove the human health
7 hazard as specified under sub. (3m). The human health hazard shall be abated in
8 a manner ~~which~~ that is approved by the local health officer. ~~The cost of the~~
9 ~~abatement or removal may be recovered from the person permitting the violation or~~
10 ~~may be paid by the municipal treasurer and the account, after being paid by the~~
11 ~~treasurer, shall be filed with the municipal clerk, who shall enter the amount~~
12 ~~chargeable to the property in the next tax roll in a column headed "For Abatement~~
13 ~~of a Nuisance" as a special tax on the lands upon which the human health hazard was~~
14 ~~abated, and the tax shall be collected as are other taxes. In case of railroads or other~~
15 ~~lands not taxed in the usual way, the amount chargeable shall be certified by the~~
16 ~~clerk to the secretary of administration who shall add the amount designated in the~~
17 ~~certificate to the sum due from the company owning, occupying, or controlling the~~
18 ~~land specified, and the secretary of administration shall collect the amount as~~
19 ~~prescribed in subch. I of ch. 76 and return the amount collected to the town, city, or~~
20 ~~village from which the certificate was received. Anyone maintaining such a human~~
21 ~~health hazard may also be fined not more than \$300 or imprisoned for not more than~~
22 ~~90 days or both. The only defenses an owner may have against the collection of a tax~~
23 ~~under this subsection are that no human health hazard existed on the owner's~~
24 ~~property, that no human health hazard was corrected on the owner's property, that~~

1 ~~the procedure outlined in this subsection was not followed or any applicable defense~~
2 ~~under s. 74.33.~~

3 **SECTION 195.** 254.59 (3) of the statutes is created to read:

4 254.59 (3) SUMMARY ABATEMENT OR REMOVAL. If a human health hazard is found
5 on private property or premises and, in the judgment of the local health officer or
6 designee, poses an immediate threat to the health of an individual or the public, the
7 local health officer or his or her designee shall make a good faith effort to notify the
8 owner and any occupant by any practical means, shall confirm the notice in writing
9 by personal service or by mail to the last known address of the owner and any
10 occupant, and shall summarily abate or remove the human health hazard unless the
11 owner or the occupant immediately abates or removes the human health hazard.

12 **SECTION 196.** 254.59 (3m) of the statutes is created to read:

13 254.59 (3m) ABATEMENT OR REMOVAL BY COURT ACTION. If an owner or occupant
14 fails to comply with an order under sub. (2), and if the local health officer or his or
15 her designee determines that the nature of the human health hazard does not pose
16 an immediate threat to the health of an individual or the public if not abated or
17 removed under sub. (3), the local health officer or designee may report this fact to the
18 attorney for the applicable city, town, village, or county, who may initiate court action
19 to abate the human health hazard.

20 **SECTION 197.** 254.59 (4) of the statutes is repealed.

21 **SECTION 198.** 254.59 (5) of the statutes is amended to read:

22 254.59 (5) COST OF ABATEMENT OR REMOVAL. The cost of abatement or removal
23 of a human health hazard under this section subchapter may be at the expense of the
24 municipality city, village, town, or county of the jurisdiction of the local health officer
25 and may be collected from the owner or occupant, or person causing, permitting, or

BILL

SECTION 198

1 maintaining the human health hazard, or may be charged against the property or
2 premises and, upon certification of the local health officer, may be assessed by the
3 treasurer of the city, town, village, or county of the jurisdiction of the local health
4 officer as are other special taxes. In cases of railroads or other lands not taxed in the
5 usual way, the amount chargeable shall be certified by the clerk of the applicable city,
6 town, village, or county to the secretary of administration who shall add the amount
7 designated in the certificate to the sum due from the company owning, occupying, or
8 controlling the land specified, and the secretary of administration shall collect the
9 amount as prescribed in subch. I of ch. 76 and return the amount collected to the
10 town, city, or village, or county from which the certificate was received. ~~Anyone~~
11 ~~maintaining such a human health hazard may also be fined not more than \$300 or~~
12 ~~imprisoned for not more than 90 days or both.~~ The only defenses an owner, occupant,
13 or person may have against the collection of the cost or assessment of a tax under this
14 subsection are that no human health hazard existed on the owner's property or
15 premises at the time of abatement, that no human health hazard was corrected by
16 or at the direction of the local health officer or his or her designee on the owner's
17 property, that the procedure outlined in this subsection was not followed, or any
18 applicable defense under s. 74.33.

19 **SECTION 199.** 254.59 (6) of the statutes is amended to read:

20 254.59 (6) CITY CHARTER. A 1st class city may, but is not required to, follow the
21 provisions of this section. A ~~1st class~~ city may follow the provisions of its charter.

22 **SECTION 200.** 254.59 (7) of the statutes is created to read:

23 254.59 (7) OTHER ABATEMENT OR REMOVAL AUTHORITY. (a) ~~Any of the following~~
24 may enact an ordinance concerning abatement or removal of a human health hazard
25 that is at least as restrictive as this section:

A county, city, village, or town with a local health department

- 4 3. A city and a county with a city-county health department.
- 5 4. A city or village with a city or village health department.
- 6 5. ~~Multiple municipalities with~~ a multiple municipal health department
- 7 established under s. 251.02 (2) (b). *A city or village that is part of*

8 (b) An ordinance enacted under par. (a) may be enforced in the ~~area of~~

9 ~~jurisdiction of the relevant local health department, as specified in s. 251.08.~~

10 (c) This subsection may not be construed to prohibit any agreement under s.

11 66.0301 between a county and a city, town, or village that has a local health

12 department, concerning enforcement under this section.

13 **SECTION 201.** 254.59 (8) of the statutes is created to read:

14 254.59 (8) PENALTIES. (a) Whoever refuses entry under sub. (1) by a local health

15 officer or his or her designee at reasonable hours in response to a human health

16 hazard shall forfeit not less than \$100 nor more than \$300.

17 (b) Whoever maintains a human health hazard that requires abatement or

18 removal under this section may be fined not more than \$1,000 or may be imprisoned

19 for not more than 90 days or both.

20 **SECTION 202.** 255.06 (3) of the statutes is amended to read:

21 255.06 (3) SERVICE COORDINATION. The department shall coordinate the services

22 provided under this section with the services provided under the minority health

23 program under s. 146.185 250.20 (2) to (4), to ensure that disparities in the health

24 of women who are minority group members are adequately addressed.

Hi Debora,

It appears there is one last change we would like to make to LRB 1673/2. I have forwarded the correspondence between Dick Sweet and Patty Bollig that explains the issue and the suggested change by Dick.

Please don't hesitate to contact Dick Sweet or me if you have any questions, and thanks again for your work on this draft.

"conducting of tests" would work fine. Thanks, Patty

Actually, I wonder if "conducting of tests" would be less awkward. Whatever phrase is used has to follow from "authorize . . .".

Dick, Thanks for the e-mail reminder. I was not proposing that we eliminate all the language on line 13, just correct 'conduct of tests' to read - conduct tests. Let me know if you have additional questions.

Thanks, Patty (7-1440).

Patty,

Thanks for your comment. Are you proposing to eliminate all of the language on page 31, line 13 through the comma on line 14, and just substitute "conduct tests"? If so, that would delete the ability to seek a special inspection warrant to undertake activities like inspecting, investigating, and taking samples. Is that going to limit the local health officer's ability to address the situation?

Thanks.

Doug, Thanks for copying me in. I'm waiting for a reply back/confirmation on the redraft from Tom Sieger and Katie Plona. I'm fine with the redraft that was done to s.254.59(5), but just noticed that under Section 193 - pg. 31; s.254.59(1) - line 13 it reads: "authorize inspection, investigation, evaluation, conduct of tests, or taking". Can this easily be reworded to conduct tests?

Thanks, Patty

Darryll,

Thank you so much for help on this bill. You deserve a great deal of credit for all of the time and effort you put into this. I hope we can convince you to come and testify when the bill comes up for a hearing later this year.

Enjoy your retirement and it has been a pleasure working for you.

That what I thought, thanks for letting me know. I am retiring after 40 years in public health.

Thank you for all your work to keep us from getting into trouble with the way our public health laws are written.

Take care,

Darryl,

Since 254.59(6) is not being changed, it doesn't show up in the draft.

Dick

P.S. Are you retiring? If so, good luck with everything. It's been great working with you.

The change looks good to me. Maybe I missed it, but what happenen to 254.59(6)? Is it missing because it will remain unchanged from what now exists in the statutes which is a good thing.

Since this is my last day, good luck with this project.
