Assumptions Used in Arriving at Fiscal Estimate

This bill would allow municipalities the option of providing required legal notices by posting them on the Internet site of the municipality. This option would be in addition to the current option of publishing the notices in a newspaper likely to give notice.

This bill does not appear to involve the state court system, and it will have no fiscal impact on the courts. The local government units responsible for working with the state court system are the county Clerks of Circuit Courts. This bill will have no fiscal impact on the work of the county Clerks of Circuit Court.
