Assumptions Used in Arriving at Fiscal Estimate

Current law prohibits discrimination in employment based on conviction record. However, current law also states that it is not employment discrimination to refuse to employ or to terminate from employment an individual who has been convicted of a felony, misdemeanor, or other offense, if the circumstances of the offense substantially relate to a particular job.

AB 30 specifies that it is not discrimination for an educational agency to refuse to employ or terminate from employment an individual who has been convicted of a felony and who has not been pardoned for that felony. This bill will not affect hiring practices at the Winnebago Mental Health Institution, Mendota Mental Health Institution and the State Centers for the Developmentally Disabled. Therefore, this bill will not have any fiscal impact upon DHFS. It is unknown whether this bill would result in changes in employment practices of educational agencies, as defined in the bill, that are operated by counties or with whom counties contract to serve county clients. However, any changes that result from this bill are not expected to have a fiscal effect on county human or social service departments.
