Fiscal Estimate Narratives

DPI 9/10/2007

LRB Number	07-0271/4	Introduction Number	SB-258	Estimate Type	Original
Description governance of metropolitan sewerage districts created by 1st class cities; popular election of metropolitan sewerage commissions in other sewerage districts, town sanitary district commissions, governing boards of local exposition, local professional baseball park, professional football stadium, and cultural arts districts, and technical college district boards; providing an exemption from and extending the time limit for emergency rule procedures; and granting rule-making authority					

Assumptions Used in Arriving at Fiscal Estimate

Current law requires that a technical college district board include an appointed member that is a school district administrator of a school district that lies within the technical college district. This bill requires that all technical college district board members be elected and deletes the requirement for a school district administrator member.

The bill would impose no costs on the department or on school districts.

Long-Range Fiscal Implications
