Description Changes to BadgerCare Plus					

Assumptions Used in Arriving at Fiscal Estimate

This bill proposes statutory changes necessary to make Wisconsin state statutes congruent with federal Centers for Medicare and Medicaid Services (CMS) requirements for the BadgerCare Plus program. Additionally, it provides technical clarification of statutes relating to the BadgerCare Plus program.

The current BadgerCare Plus statutes were drafted prior to final CMS policy decisions regarding BadgerCare Plus. CMS decisions subsequent to the design of BadgerCare Plus have created a situation where enforcement of portions of state BadgerCare Plus statutes would cause the state to be non-compliant with CMS rules. This bill makes the technical changes necessary to correct this situation. There will not be a fiscal impact compared to the current design and planned implementation of the program as approved by CMS.
