Description				
Adjusting the method used to s	et compensation levels of	certain cour	ity constitutional off	icers

## Assumptions Used in Arriving at Fiscal Estimate

The bill would require yearly adjustments in the salaries of elected county officials equal to the average adjustment given department heads. Currently an elected official's salary may not be changed during the official's term of office. This will increase costs for counties dependent on increases given to department heads.

**Long-Range Fiscal Implications**
