serious or critic	cal condition or when	a child under 13 years	of age has b	een the victim of s	sexual assault					

Assumptions Used in Arriving at Fiscal Estimate

A fiscal estimate is considered indeterminate by the Wisconsin District Attorneys Association Board because there is not enough data to provide sufficient information at this time. This also applies to a long-term fiscal estimate because of the lack of sufficient data at this time. Should the bill be enacted, and after there has been time to secure adequate data, the data should be reviewed to determine the fiscal impact of the bill.

Long-Range Fiscal Implications
