2 27.01 (7) (f) 2m. and 27.01 (7) (g) 2m. of the statutes; **relating to:** issuing ~~annual~~
3 vehicle admission receipts for motor buses for entry to state parks and other
4 vehicle admission areas under the jurisdiction of the Department of Natural
5 Resources. ✓

Analysis by the Legislative Reference Bureau

Current law requires that any vehicle entering any state park or certain other properties under the jurisdiction of the Department of Natural Resources (DNR) display a vehicle admission receipt or sticker. Fees for these stickers are established by statute, with a higher fee for stickers issued for out-of-state vehicles. For a motor vehicle, the driver may be issued an annual or a daily sticker upon payment of the fee. Under current law, DNR issues daily stickers for buses, but may not issue annual stickers. This bill requires DNR to issue annual stickers for buses from Wisconsin and from other states and sets fees for these stickers.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

Andrew:

I took a guess and thought that the issuance of admission receipts issued at the discounted rates to bus companies would not go through the automated statewide issuing system, or be issued by agents contracted by DNR. I made this choice because it could get complicated since there are 4 different daily rates for buses. See. s. 27.01 (7) (f) 3. and 4. and (g) 3. and 4. Also, if the bus company is buying daily receipts "in bulk", the receipts will not be able to have a date stamped on them since it is unclear when the bus company would actually use them.

Also, in light of this timing issue, do you want to a period of validity for these receipts, such as 6 months or a year?
