

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRBa2524/P1dn  
RCT:nwn:md

April 22, 2010

Darryl Teske:

I modeled this amendment on the somatic cell count amendment (LRBa2234).

Please let me know if it is fine as drafted, so that I can make it a /1, or if you want any changes.
