This bill creates ^a federal program revenue appropriation into which are deposited federal moneys received by the state that are designated by the governor as discretionary federal economic stimulus funds. Moneys in this appropriation will be allocated by the secretary of administration to supplement state agency programs and operations. Under the bill, "discretionary federal economic stimulus funds" is defined to mean those federal moneys received by the state, pursuant to federal legislation enacted during the 111th Congress for the purpose of reviving the economy of the United States, and the expenditure of which under that legislation is for discretionary purposes.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

We want to remove the reference to discretionary in these PRS appropriations and in the federal one. In the federal one, please take out the last part of the last sentence in the first two paragraphs so that it ends after United States.

thanks - Jenny

Rick -

Please add language to state that the Federal Program Supplement is for federal stimulus funds that are not otherwise appropriated.

Let me know if you have any questions.

Thanks,
