Department of Corrections:

- Delete items 16 through 22 from the Corrections Omnibus relating to "Sentencing Modifications" and "early release privileges". } 60648
- Delete item 9 from the Corrections Omnibus relating to "Sex Offender Management". Instead maintain current law relating to which classes of offenders must be tracked with "active" GPS tracking. Accept the lowered population projections and associated staffing and cost savings. Require the Department to seek federal stimulus funding to pay for costs associated with maintaining the current program. CMH-no draft for SFC
- Delete item 28 from the Corrections Omnibus relating to the funding for the "Adam Walsh Child Protection and Safety Act". Instead maintain the provision in the Governor's budget relating to this funding. no draft for SFC

60755 for Sider

Maintain current law relating to "recompense" for crime victims. Sen. Taylor added a motion in Finance to require conviction before the court awards restitution in bond forfeiture cases. Our amendment would be to maintain current law in these proceedings. -60606
