1. POLICE AND FIRE PROTECTION FUND

Joint Finance: Modify the Joint Finance recommendations regarding the police and fire protection fee as follows: (a) delete provisions transferring the balance in the police and fire protection fund to the general fund in 2009-10 and 2010-11; (b) create a SEG appropriation to distribute amounts in the police and fire protection fund as payments to counties and municipalities under the county and municipal aid program. Modify the existing GPR sum sufficient appropriation for the county and municipal aid program to specify that amounts paid from the appropriation are net of amounts paid from the newly-created SEG appropriation. Estimate the distributions from the newly created SEG appropriation at \$41,233,400 in 2009-10 and \$61,033,400 in 2010-11, and reduce estimated payments from the county and municipal aid program's existing GPR appropriation by \$41,233,400 in 2009-10 and \$61,033,400 in 2010-11.
