Subject: Budget Amendment to Veterans Affairs Budget

Bob,

I have another one for you. Can we get an amendment that would do the following?

In the newest changes from the Assembly Democrats, there is a change on page six of a memo from LFB (I don't have it yet, it is being briefed to GOP members now) detailing the changes, that would cap credits for veterans to 128 for a UW school or tech school, not both. Can we get an amendment deleting this change keeping it current law so veterans can use 128 at both types of schools.

Thanks,

Waylon
