Hi Becky,
Rep. Hraychuck would like to draft a bill for the 2009 session that would repeal the new early musky and bass seasons that was included in the budget bill.

The DNR said the provision is in SB 40 on page 293, Sections 712m (bass) and 712r (musky) or it can be found in the fiscal bureau document on pages 745-746.

Let me know if you have any questions!
Thanks,
Stephanie

2009 BILL

JLD

PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION

Gen

1 AN ACT ...; relating to: catch and release bass and muskellunge fishing.

Analysis by the Legislative Reference Bureau

Current law requires the Department of Natural Resources (DNR) to establish a fishing season that authorizes catch and release muskellunge fishing on certain inland waters. Under current law, the season begins on the first day of the general fishing season and ends on the day before the first day of the regular muskellunge fishing season. Current law also prohibits a person from using a hook, bait, or lure, other than an artificial lure that has a barbless hook, while fishing for bass or for muskellunge during the respective catch and release seasons established by DNR for fishing for those fish.

**

This bill repeals these provisions.
