**Subject:** Sub to AB 250 (Dog breeders)

Hi Becky-

I met with Andrea from Smith's office and Charlie from Kreitlow's office this morning. They would like a sub to AB 250 drafted. Here are the changes they would like in the sub:

- ✓ 1. Add the language regarding 3 litters that you drafted previously as a simple amendment. (LRBa0344/1)
- ✓ 2. Composition of advisory committee (Pg .13) Break each of the dog breeder positions into 2 separate positions as follows:
  - Breeders of large dogs selling fewer than 50 dogs per year.
  - Breeders of large dogs selling more than 50 dogs per year.
  - Breeders of small dogs selling fewer than 50 dogs per year.
  - Breeders of small dogs selling more than 50 dogs per year.
- ✓ 3. Composition of advisory committee (Pg .13) Break the Humane Society position into 2 separate positions as follows:
  - Humane societies providing shelter to fewer than 500 animals per year.
  - Humane societies providing shelter to 500 or more animals per year.
- ✓ 4. Composition of advisory committee--Pg .13, line 9: change "10" to "12".
- ✓ 5. Keeping dogs outdoors: Page 10: Delete lines 14-15.
- ✓ 6. Definition of temporary dog market. Page 4. Exempt sales that take place at a dog trial, as defined in s. NR 17.001(5):
  - NR 17.001(5)"Dog trial" means any organized competitive field event involving sporting dog breeds which is sanctioned, licensed or recognized by a local, state, regional or national dog organization.
7. Seizure of dogs: pgs 12-13. Specify that if DATCP seizes a dog under this provision, DATCP must follow the procedures set forth in s. 173.13. (I think this may need some clarification and discussion-- Andrea is going to send you more information on this item.)

- 1 AN ACT to amend 20.115 (2) (j); and to create 173.41 and 778.25 (1) (a) 8. of the
- 2 statutes; relating to: regulation of persons who sell dogs or operate animal
- 3 shelters or animal control facilities, granting rule-making authority, making
- 4 an appropriation, and providing a penalty.

substitute amendment

**Analysis by the Legislative Reference Bureau**

**Licensing of dog sellers, animal shelters, and animal control facilities**

This bill requires certain persons who sell dogs or operate animal shelters or animal control facilities to be licensed by the Department of Agriculture, Trade and Consumer Protection (DATCP), beginning 18 months after the bill is enacted into law.

substitute amendment

The bill requires all of the following to obtain licenses, with limited exceptions:

1. A person who sells 25 or more dogs in a year (including a nonresident who brings dogs into this state for sale).
2. A person who operates a dog breeding facility (a place at which dogs are bred and raised) from which 25 or more dogs are sold in a year.
3. A person who operates an auction at which 50 or more dogs are sold or offered for sale in a year.
4. A person who operates an animal shelter that is used to shelter at least 25 dogs in a year.
5. A person who operates an animal control facility under a contract with a city, village, town, or county.

**ASSEMBLY BILL 250**

*substitute amendment ← use 4 times*

The bill requires DATCP to inspect each location in this state at which a person who applies for a license operates before issuing an initial license and at least once every two years thereafter, except that during the first 12 months in which licenses are required DATCP may issue a temporary initial license before conducting the required inspection. The bill allows DATCP to make additional inspections during regular business hours to ensure compliance with requirements established in the bill.

The bill specifies fees for licenses, generally based on the number of dogs sold, and authorizes DATCP to set higher fees by rule if necessary to cover the costs of administering the program.

**Sale of dogs**

This bill prohibits a licensee from transferring a dog to a buyer before the dog is seven weeks old. The bill requires a licensee to provide the purchaser of a dog with a copy of the dog's vaccination records and with a statement from a veterinarian who examined the dog stating that the dog had no infectious or contagious diseases at the time of examination.

The bill prohibits any person from selling at auction a dog that is not spayed or neutered unless the dog has tested negative for brucellosis.

The bill also requires a person who sells or offers to sell a dog at a temporary dog market, such as a flea market, to provide information about the dog to the operator of the temporary dog market. It requires the operator of a temporary dog market to register with DATCP, review and keep the information provided by sellers, and, if dogs are sold or offered for sale on two or more consecutive days, have a veterinarian examine the dogs.

**Standards of care**

The bill requires licensees to provide dogs with adequate food, water, veterinary care, shelter, and opportunity for exercise. The bill requires enclosures for dogs to be of appropriate size and structurally sound. It requires licensees to keep enclosures clean and to follow restrictions on the use of wire flooring. Under the bill a licensee must ensure that each dog is observed every day in order to monitor the health and temperament of the dog and provide care as needed.

**Enforcement and administration**

A person who fails to obtain a license required under this bill may be fined not more than \$10,000 or imprisoned not more than nine months or both. Violations of other requirements in the bill are punishable by forfeitures (civil monetary penalties). The bill authorizes the use of a citation, which is similar to a traffic ticket, in case of a violation that is punishable by a forfeiture.

The bill provides DATCP with authority to deny, revoke, or refuse to renew a license for cause. It also authorizes DATCP to summarily suspend a license if an inspection reveals a condition that imminently threatens an animal or there is evidence that an animal has been criminally mistreated.

The bill authorizes DATCP to seize a dog from a person required to be licensed if there are reasonable grounds to believe that the dog is being criminally mistreated.

**ASSEMBLY BILL 250**

*substitute amendment*

The ~~bill~~ requires DATCP to promulgate rules for the administration of the program. It also requires DATCP to appoint an advisory committee for the rule making.

Because this bill creates a new crime or revises a penalty for an existing crime, the Joint Review Committee on Criminal Penalties may be requested to prepare a report concerning the proposed penalty and the costs or savings that are likely to result if the bill is enacted.

For further information see the ~~state~~ fiscal estimate, which will be printed as an appendix to this bill.

7           **(3) LICENSE FEES.** (a) Except as provided under par. (b) or (c), the annual fee  
8 for a license under sub. (2) is as follows:

9           1. For a person who sells or offers to sell at least 25 but fewer than 50 dogs per  
10 year, \$250.

11           2. For a person who sells or offers to sell at least 50 but fewer than 100 dogs per  
12 year, \$500.

13           3. For a person who sells or offers to sell at least 100 but fewer than 250 dogs  
14 per year, \$750.

15           4. For a person who sells or offers to sell 250 or more dogs per year, \$1,000.

16           5. For a person who operates an animal shelter or animal control facility, \$125.

17           (b) Except as provided under par. (c), the annual license fee for an out-of-state  
18 dog dealer is 150 percent of the fee determined under par. (a), based on the number  
19 of dogs sold in this state.

20           (c) The department may promulgate rules specifying fees for licenses under  
21 sub. (2) that are higher than the fees in pars. (a) and (b) if necessary to cover the costs  
22 of administering this section.

23           **(4) LICENSE DENIAL OR REVOCATION.** (a) The department may deny, refuse to  
24 renew, or revoke any license under sub. (2) if the applicant or licensee is not fit,  
25 qualified, or equipped to conduct the activity for which the license is required, has

**ASSEMBLY BILL 250**

1 violated or failed to obey any applicable law, order, or regulation, or has  
2 misrepresented or intentionally failed to disclose a material fact in applying for the  
3 license.

4 (b) The department may issue any license under sub. (2) conditioned upon  
5 relevant circumstances or acts. If a license is conditioned upon compliance within  
6 a specified period and the condition is not met within the specified period, the license  
7 is void.

8 **(5) SUMMARY LICENSE SUSPENSION.** (a) The department may, by written notice,  
9 without prior notice or hearing, suspend a license issued under sub. (2) if, upon  
10 inspection of the licensed premises, the department finds any condition that  
11 imminently threatens the health, safety, or welfare of any animal on the licensed  
12 premises or there is evidence that an act of animal cruelty in violation of ch. 951 has  
13 been committed by the licensee or has occurred on the licensed premises.

14 (b) In the notice under par. (a), the department shall state the reasons for the  
15 suspension and specify conditions that must be met for reinstatement.

16 (c) The department shall specify in the notice under par. (a) a date after which  
17 a reinspection of the licensed premises may take place. The department may conduct  
18 a reinspection without notice to the licensee. The department may reinstate a license  
19 following a summary suspension if the department finds, based upon reinspection  
20 or evidence presented by the licensee, that circumstances warrant reinstatement.  
21 The department may specify a reinstatement date that it considers appropriate.

22 (d) A licensee may request a hearing contesting a summary suspension under  
23 par. (a), by written appeal to the department, within 10 days of receiving the notice  
24 of summary suspension. The department shall describe the right of hearing in the

**ASSEMBLY BILL 250****SECTION 2**

1 notice to the licensee under par. (a). The department shall promptly initiate  
2 proceedings to hear the appeal.

3 (6) INSPECTIONS. (a) The department shall inspect the premises at which a  
4 person who is required to obtain a license under sub. (2) (a) 1. to 5. operates before  
5 issuing the initial license and at least once every 2 years after the year in which the  
6 person is first licensed. The department is not required to inspect the out-of-state  
7 premises at which an out-of-state dog dealer operates.

8 (b) The department may enter and inspect the premises for which a person is  
9 required to obtain a license under sub. (2) at any time during normal business hours  
10 to ensure compliance with this section.

11 (c) The department may charge a fee for an inspection that it undertakes to  
12 determine whether a previous violation of this section or rules promulgated under  
13 this section has been corrected.

14 (d) An inspection fee under par. (c) is due upon written demand from the  
15 department. Unless otherwise specified by the department by rule, the fee for an  
16 inspection under par. (c) is \$150.

17 (7) OUT-OF-STATE DEALERS. The department may not issue a license under sub.  
18 (2) to a person who is an out-of-state dog dealer unless the person provides to the  
19 department a copy of any license required by the person's state of residence and any  
20 license required under federal law.

21 (8) HEALTH REQUIREMENTS FOR SELLING DOGS. (a) No person who is required to  
22 be licensed under sub. (2) may sell a dog without providing all of the following to the  
23 purchaser:

**ASSEMBLY BILL 250**

2 that the veterinarian has examined the dog and found that it has no infectious or  
3 contagious diseases as of the date of the examination.

4           2. A copy of all vaccination records for the dog showing the date the vaccine was  
5 administered and the name of the person who administered the vaccine.

6           (b) A person may not sell at auction a dog that is not spayed or neutered without  
7 providing written proof that the dog has tested negative for brucellosis using a test  
8 approved by the department that was conducted no more than 30 days before the day  
9 of sale.

10           **(9) AGE FOR TRANSFER OF PUPPY.** A person required to be licensed under sub. (2)  
11 may not transfer a dog to a buyer until the dog is 7 weeks of age.

14           (a) Provide sufficient food to maintain the dog in good health.

15           (b) Provide sufficient water to maintain the dog in good health. If fresh water

21 apply:

22           1. The enclosure is of an appropriate size, as determined by the department,

24 time the dog is kept in the enclosure.

**ASSEMBLY BILL 250**

**SECTION 2**

2 the dog from injury.

3           3. If wire flooring is used, it is coated, is of a sufficient gauge to ensure that it  
4 will not cause injury to the dog, and is used only in the manner specified by the  
5 department.

6           4. The enclosure is maintained in a clean and sanitary condition.

7           (e) Ensure that the dog is not kept in an enclosure for a period that the  
8 department determines to be excessive, considering the size of the enclosure and any  
9 other factors that the department considers relevant.

10          (f) Ensure that the dog is kept outdoors only if all of the following apply:

11           1. The dog is of a breed or type that is typically kept outdoors.

12           2. The dog is acclimated to the outdoors.

13           3. The person provides adequate shelter from the sun and inclement weather.

14           4. Any other requirements specified by the department for the keeping of dogs  
15 outdoors are met.

16          (g) Ensure that all facilities in which the person keeps the dog have adequate

18 considering its type or breed.

19          (h) Ensure that the dog is provided adequate daily access to exercise, as  
20 determined by the department.

21          (i) Ensure that the dog is observed every day by the caretaker of the premises

23 caretaker to monitor the health and temperament of the dog and to provide care to  
24 the dog as needed.

1           **(10m) VACCINATIONS.** A person who is required to be licensed under sub. (2) may

3 unless that is prohibited by law.

4           **(11) RECORD KEEPING.** A person who is required to be licensed under sub. (2)

Andrea Wahl and Charles Saxler:

This is a preliminary version of the substitute amendment to Assembly Bill 250. It contains the changes described in the message from Mary Matthias dated July 30, *2008* except for changes related to the procedure that applies if the Department of Agriculture, Trade and Consumer Protection seizes a dog. Mary indicated that Andrea will be providing more information about this change.

If the intent is that the process following the seizure of a dog by DATCP is the same as the process following the seizure of a dog by a city, village, town, or county, there will need to be changes to several statutes in ch. 173.

Please let me know if you have questions or want other changes to this draft.

**Subject:** AB 250-dogs-changes to sub

Hi Becky-

Rep. Smith and Sen Kreitlow would like the sub to AB 250 revised as follows:

1. Provide that the advisory committee (created on pg. 13 of the sub.) has the same powers relating to administrative rules that are given to the Land and Water Conservation Board under s. 92.04(3).
2. On page 13 of the sub, revise the lettering to eliminate the use of 2m., 3m., and 5m. (Use only whole numbers so the numbers will go from 1 to 11.)

They might also want 2 other changes but they are waiting to get more information at this point. Those changes would be on pg 13 as well, to possibly change "animals" to "dogs" on lines 19 and 20 and to change the number thresholds on those lines. Andrea or I will let you know as soon as they decide if they want those changes. *yes, per Andrea*

They are hoping to have the new version of the sub sometime towards the end of next week so they have time to circulate it before the hearing which they expect will be held the second week of September.

thanks—

Mary

Note

1 AN ACT to amend 20.115 (2) (j); and to create 173.41 and 778.25 (1) (a) 8. of the  
2 statutes; relating to: regulation of persons who sell dogs or operate animal  
3 shelters or animal control facilities, granting rule-making authority, making  
4 an appropriation, and providing a penalty.

*Analysis by the Legislative Reference Bureau*

**Licensing of dog sellers, animal shelters, and animal control facilities**

This substitute amendment requires certain persons who sell dogs or operate animal shelters or animal control facilities to be licensed by the Department of Agriculture, Trade and Consumer Protection (DATCP), beginning 18 months after the substitute amendment is enacted into law.

The substitute amendment requires all of the following to obtain licenses, with limited exceptions:

1. A person who sells 25 or more dogs in a year (including a nonresident who brings dogs into this state for sale).
2. A person who operates a dog breeding facility (a place at which dogs are bred and raised) from which 25 or more dogs are sold in a year.
3. A person who operates an auction at which 50 or more dogs are sold or offered for sale in a year.

4. A person who operates an animal shelter that is used to shelter at least 25 dogs in a year.

5. A person who operates an animal control facility under a contract with a city, village, town, or county.

The substitute amendment requires DATCP to inspect each location in this state at which a person who applies for a license operates before issuing an initial license and at least once every two years thereafter, except that during the first 12 months in which licenses are required DATCP may issue a temporary initial license before conducting the required inspection. The substitute amendment allows DATCP to make additional inspections during regular business hours to ensure compliance with requirements established in the substitute amendment.

The substitute amendment specifies fees for licenses, generally based on the number of dogs sold, and authorizes DATCP to set higher fees by rule if necessary to cover the costs of administering the program.

### ***Sale of dogs***

This substitute amendment prohibits a licensee from transferring a dog to a buyer before the dog is seven weeks old. The substitute amendment requires a licensee to provide the purchaser of a dog with a copy of the dog's vaccination records and with a statement from a veterinarian who examined the dog stating that the dog had no infectious or contagious diseases at the time of examination.

The substitute amendment prohibits any person from selling at auction a dog that is not spayed or neutered unless the dog has tested negative for brucellosis.

The substitute amendment also requires a person who sells or offers to sell a dog at a temporary dog market, such as a flea market, to provide information about the dog to the operator of the temporary dog market. It requires the operator of a temporary dog market to register with DATCP, review and keep the information provided by sellers, and, if dogs are sold or offered for sale on two or more consecutive days, have a veterinarian examine the dogs.

### ***Standards of care***

The substitute amendment requires licensees to provide dogs with adequate food, water, veterinary care, shelter, and opportunity for exercise. The substitute amendment requires enclosures for dogs to be of appropriate size and structurally sound. It requires licensees to keep enclosures clean and to follow restrictions on the use of wire flooring. Under the substitute amendment, a licensee must ensure that each dog is observed every day in order to monitor the health and temperament of the dog and provide care as needed.

### ***Enforcement and administration***

A person who fails to obtain a license required under this substitute amendment may be fined not more than \$10,000 or imprisoned not more than nine months or both. Violations of other requirements in the substitute amendment are punishable by forfeitures (civil monetary penalties). The substitute amendment authorizes the use of a citation, which is similar to a traffic ticket, in case of a violation that is punishable by a forfeiture.

The substitute amendment provides DATCP with authority to deny, revoke, or refuse to renew a license for cause. It also authorizes DATCP to summarily suspend

a license if an inspection reveals a condition that imminently threatens an animal or there is evidence that an animal has been criminally mistreated.

The substitute amendment requires DATCP to promulgate rules for the administration of the program. It also requires DATCP to appoint an advisory committee for the rule making.

6 The department may specify a reinstatement date that it considers appropriate.

7 (d) A licensee may request a hearing contesting a summary suspension under  
8 par. (a), by written appeal to the department, within 10 days of receiving the notice

18 required to obtain a license under sub. (2) at any time during normal business hours  
19 to ensure compliance with this section.

20 (c) The department may charge a fee for an inspection that it undertakes to  
21 determine whether a previous violation of this section or rules promulgated under  
22 this section has been corrected.

23 (d) An inspection fee under par. (c) is due upon written demand from the  
24 department. Unless otherwise specified by the department by rule, the fee for an  
25 inspection under par. (c) is \$150.

1           **(7) OUT-OF-STATE DEALERS.** The department may not issue a license under sub.  
2           (2) to a person who is an out-of-state dog dealer unless the person provides to the  
3           department a copy of any license required by the person's state of residence and any  
4           license required under federal law.

5           **(8) HEALTH REQUIREMENTS FOR SELLING DOGS.** (a) No person who is required to

18          may not transfer a dog to a buyer until the dog is 7 weeks of age.

24          in sufficient quantity for the health of the dog.

1 (c) Ensure that necessary and standard veterinary care is provided in a timely  
2 manner.

3 (d) Ensure that the dog is not kept in an enclosure unless all of the following  
4 apply:

6 based on the size, age, and number of dogs kept in the enclosure and the length of  
7 time the dog is kept in the enclosure.

8 2. The enclosure is structurally sound and maintained in good repair to protect  
9 the dog from injury.

10 3. If wire flooring is used, it is coated, is of a sufficient gauge to ensure that it  
11 will not cause injury to the dog, and is used only in the manner specified by the  
12 department.

13 4. The enclosure is maintained in a clean and sanitary condition.

14 (e) Ensure that the dog is not kept in an enclosure for a period that the  
15 department determines to be excessive, considering the size of the enclosure and any

25 determined by the department.

1           (i) Ensure that the dog is observed every day by the caretaker of the premises  
2           at which the person operates or an individual under the direct supervision of the  
3           caretaker to monitor the health and temperament of the dog and to provide care to  
4           the dog as needed.

5           **(10m) VACCINATIONS.** A person who is required to be licensed under sub. (2) may  
6           have a dog kept by the person vaccinated by an individual who is not a veterinarian  
7           unless that is prohibited by law.

8           **(11) RECORD KEEPING.** A person who is required to be licensed under sub. (2)

This redraft makes the changes requested in the message from Mary Matthias dated August 25. As we discussed, it changes “animal” to “dogs” on page 13, lines 19 and 20<sup>4</sup> of the last version of the draft, but there has not yet been a decision about changing the number thresholds on those lines. ✓

Proposed s. 173.41 (14) (d) is based on s. 92.04 (3). It does not include language based on s. 92.04 (3) (f) because, unlike a board, a committee has no rule-making authority to begin with. ✓

As we also discussed, I will be out of the office next week and the following Tuesday. Please contact Tracy Kuczenski (266-9867) if additional changes need to be made or you want the draft put into introducible form without changes before I get back. ✓

## Tradewell, Becky

**From:** Wahl, Andrea  
**Sent:** Thursday, September 10, 2009 9:55 AM  
**To:** Tradewell, Becky; Matthias, Mary  
**Cc:** Saxler, Charles  
**Subject:** AB 250 Substitute Amendment changes

Becky,

Here are what I hope to be the final changes to the substitute amendment for AB 250/SB 208:

- ✓ • Remove the advisory committee language that would give them the powers that the Water Conservation Board has; essentially just revert to the original language.
- ✓ • If we could number the advisory committee members 1-11; this is a just a cosmetic change. Rep. Smith wants to ensure that it doesn't appear like there are 8 members assigned when in fact there are 11 with one at large.
- ✓ • Lastly, DATCP requested that Ch. 173 be incorporated into ch. 93, which sets up general authorities for the department. Primarily 93.21 (5) Late filing fee. This section covers all other licenses issued by the dept and assessing this fee is a standard for the licensing system into which commercial breeders will be integrated.  
93.21 (5)(a)  
(a) In this subsection, "license" means a permit, certificate, registration or license issued by the department under chs. 91 to 100 or ch. 126., or ch. 173

Thank you, and please let me know if there are any questions with any of these changes.
