

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-3284/4dn
ARG:bjk:md

October 28, 2009

ATTN: Ben Nerad

Created s. 341.10 (6m) in this draft is basically the same as the provision in the “/2” draft. I prepared that provision based on DOT’s drafting instructions. I have not used the term “former military vehicle” in the first sentence of created s. 341.10 (6m) because it is too restrictive in the context. Although the wording of created s. 341.10 (6m) in this draft is rather dense, the introduction in s. 341.10 makes it difficult to craft a technically accurate provision.
