Sen. Coggs would like to have a bill drafted designating a portion of I-43 in Milwaukee from Atkinson Ave. to Locust Street the "Jeanetta Robinson Memorial Highway." The bill should make provisions for signs to be erected along the designated length of the interstate that runs approximately 3/4 of a mile.

I have attached a map of the area that Sen. Coggs would like to be designated.

Eric,

Thanks for asking about that. That's a good point. Below is a sentence you can use. If you need more, please let me know.

... dedicated to the good works of Jeannetta Simpson-Robinson, a lifelong community leader and activist, who championed the poor, the disadvantaged, children and peaceful non-violent resolutions to conflicts.

FYI, there are two "t's" and two "n's" in Jeannetta, and her full name is as indicated above.

Thanks,

Dave

Mr. de Felice,

I'm handling the drafting of the bill designating a portion of I 43 as the Jeanetta Robinson Memorial Highway. Oftentimes, when a highway or bridge is designated in honor of someone a brief description of the reason for the designation is provided. For example, s. 84.1023 (1), stats. reads, "mark the bridge as the 'Avery Wilber Memorial Bridge' as a living memorial to and in honor of a World War II hero" Another example, s. 84.1033 (1), stats. reads, "the 'Leo Frigo Memorial Bridge' in recognition and appreciation of Leo Frigo, a civic and philanthropic leader in the Green Bay area whose legacy includes one of the largest food pantry programs in the nation for feeding the hungry." Would you like to add such a description to your bill? If so, do you have specific language or a particular facet of Ms. Robinson's life you wish to highlight?

Analysis by the Legislative Reference Bureau

Under current law, certain highway routes and bridges have been designated and marked to memorialize, commemorate, or recognize certain individuals, groups, or events. This bill directs the Department of Transportation (DOT) to designate and, upon receipt of sufficient contributions from interested parties, mark a portion of the route of I 43 within the city of Milwaukee as the "Jeannetta Simpson-Robinson Memorial Highway" in recognition and appreciation of the good works of Jeannetta Simpson-Robinson, a lifelong community leader and activist, who championed the poor, the disadvantaged, children, and peaceful non-violent resolutions to conflicts. No state funds, other than from contributions from interested parties, may be used for the erection or maintenance of any markers on I 43 to identify the highway as the "Jeannetta Simpson-Robinson Memorial Highway."

Dave,

I haven't been able to locate a similar bill that contains an appropriation. However, prior to about 5 years ago, many highway memorialization bills simply required the DOT to erect the memorials, presumably using already appropriate funds. Over the past several years, though, it has been quite rare for the DOT to cover the costs of a marker. 2005 AB 403 is the only very recent example I have located where DOT would have covered the costs. You can see the change if you look at ss. 84.1018 – 84.1049. Many recent memorializations have the same sub. (2) that I drafted for your bill (e.g. 84.1029). Many older memorializations simply require the DOT to designate and mark the highways (e.g., 84.102).

Eric.

Eric,

I got the draft and the drafter's note.

In your experience, has there been an appropriation identified in other such bills to furnish a sign or marker for the designated highway?
