Hi Aaron,

I was not sure if this request should go to you or someone else but I am requesting the following draft:

Kathleen wants to amend the SafeRide grant language (88.55) to change the amount of the grant from 50% to 80%. This change is supported by DOT.

Please let me know if you have any questions or if the request should be given to someone else.

Thank you.

2009 BILL

LX

Gen

1 AN ACT ...; relating to: the safe-ride grant program administered by the
2 Department of Transportation.

Analysis by the Legislative Reference Bureau

Under current law, the Department of Transportation (DOT) administers a safe-ride grant program under which it may award grants to municipalities, and nonprofit corporations to cover the costs of transporting, from a bar or other retail-licensed premises to a residence, a person suspected of being too intoxicated to legally drive. The grant amount cannot exceed 50 percent of the costs necessary to provide this service.

This bill increases the permissible grant amount under the safe-ride grant program from 50 percent to 80 percent of the costs necessary to provide the service.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 SECTION 1. 85.55 of the statutes is amended to read:

4 **85.55 Safe-ride grant program.** The department may award grants to any

6 under the program is limited to the amounts required for an automobile liability
