1

AN ACT ...; relating to: the number of raffles permitted in a year.

Analysis by the Legislative Reference Bureau

Under current law, a local religious, charitable, service, fraternal, veterans, or other not-for-profit organization may conduct a raffle if it obtains a raffle license from the Department of Administration. An organization may not conduct more than 200 raffles per year. This bill specifies that raffle drawings held on the same date, at the same place, and from the same pool of raffle tickets count as a single raffle for purposes of the annual limit on the number of raffles that an organization may conduct, regardless of the number of prizes awarded.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

2

SECTION 1. 563.91 of the statutes is renumbered 563.91 (1).

3

SECTION 2. 563.91 (2) of the statutes is created to read:

4

563.91 (2) A raffle in which more than one drawing is made on the same date

5

and at the same place from the tickets purchased for that raffle is one raffle for

6

purposes of this section regardless of how many prizes are awarded.

Robin:

Can we propose the following language be added to Section 563.91, which limits the number of raffles to 200 per year, with the new addition in quotes:

563.91 Limit. No qualified organization under s. 563.90 may conduct more than 200 raffles or more than one calendar raffle during a year. "A raffle, where persons place their raffle tickets in individual containers associated with one or more prizes and a drawing for those prizes is held with tickets drawn from those individual containers for the prizes associated with those containers, and where the drawing is held on the same day and at the same place, is one raffle for the purpose of this section regardless of how many prizes are awarded or containers are used".

This was a recommendation from the people we're introducing the bill on behalf of. Please let me know if you have any further questions. Thanks!
