

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRB-3520/P4dn  
EVM:kjf:jf

February 19, 2010

ATTN: Sen. Pat Kreitlow

This draft incorporates the two changes requested in Matt Pagel's e-mail dated February 10, 2010. While the change to s. 66.1001 (2m), as created by this draft, may provide some incremental clarity, I do not believe that it makes the subsection unambiguous. I won't reiterate the argument here, but if you wish to review my concerns with the ambiguity of s. 66.1001 (2m), as created by this draft, please review the drafter's notes to the earlier versions of this draft. Also, in regards to the change to s. 66.1001 (4) (c), stats., do you also want to revise the similar provision in s. 66.1001 (4) (f), stats.? Please let me know if you have any questions or further instructions.
