Please review the attached draft carefully to ensure that it is consistent with your intent. Under the attached draft, a health care billing company is not required to be licensed by DFI and is not subject to other provisions of s. 218.04. However, this draft does not affect a health care billing company to the extent its practices may be prohibited under ch. 427 (debt collection) of the Wisconsin Consumer Act.

Please let me know if you would like any changes made to the attached draft or if you have any questions. If the attached draft meets with your approval, let me know and I will convert it to an introducible "/1" draft.
