

## Fiscal Estimate Narratives

DOA 12/1/2009

LRB Number	<b>09-3764/1</b>	Introduction Number	<b>AB-0596</b>	Estimate Type	<b>Original</b>
<b>Description</b> Designating the Harley-Davidson as the Wisconsin state motorcycle					

### Assumptions Used in Arriving at Fiscal Estimate

Assembly Bill (AB) 596 would designate the Harley Davidson as the Wisconsin state motorcycle. The bill has no fiscal impact on the Department of Administration. The Legislative Reference Bureau (LRB) would be required to publish this information in the Wisconsin Blue Book. There would be set up costs associated with including this information in the next printing of the Blue Book, but those costs would likely be minimal.

### Long-Range Fiscal Implications

None.
